Les changements suivants aux documents d'appel d'offres entrent en vigueur immédiatement. Cet addenda fera partie des documents contractuels.

Le présent addenda vise à présenter les réponses suivantes aux questions posées par les soumissionnaires.

Q1

Nous avons de la difficulté à lire les définitions de zones (dans les images) de la page 84 à 94 du document d'appel d'offres. Pouvez-vous confirmer ces sites afin d'indiquer, comme pour les autres pages présentant les définitions de zones, les capteurs et les quantités pour chacun des sites?
