This amendment is being issued in response to Bidder's questions and Canada's responses.

Q1. The preformed standing seam panels that were requested in 22ga @ 101' 10 7/16" long. I can only get in 26ga and maximum 44' long.

A1. I have discussed this option with the Architectural Consultants and they will only accept full length pieces as described spec document.

Q2. I have included a link for pictures of the different snow guards available and was wondering which you would prefer.

A2. See below a photo from the drawing package that shows the snow guards that were specified. Please include all shop drawings for review.

Q3. I was wondering if you could clarify what you're looking for with the 12"x12" (90 degree angle) sheet metal closures my sales rep is unsure as to what you want regarding these.

A3. We have attached a photo of where this sheet metal is on the drawing to help clarify

All other terms and conditions remain unchanged
