This amendment is raised to:

- 1. Clarify consultations that may be held in parallel to the activities related to the SLI and the FFCP procurement process;**
- 2. Clarify the submission of responses; and**
- 3. Revise answer 4 concerning the Future Fighter Industry Day.**

1. Article 1.6 of the Suppliers List Invitation is hereby replaced in its entirety with:

1.6 Parallel Consultations

In parallel to the activities related to the SLI and the FFCP procurement process that may follow, Canada may engage, from time to time, Canadian and foreign industry stakeholders, foreign governments and other entities to gather and share general information related to the FFCP. For clarity purposes, the Suppliers that are on the Suppliers List may participate in these engagements. Interested stakeholders are invited to remain updated on parallel consultations by visiting the PSCP Webpage “Replacing and Supplementing Canada's Fighters” (<http://www.tpsgc-pwgsc.gc.ca/app-acq/amd-dp/air/snac-nfps/CF-18-eng.html>)

2. The following paragraph is hereby added at the end of Article 2.4

“Multiple responses can be submitted by Governments, Defence Organisations and Manufacturers under this SLI. Each response stands alone, separate and apart from any previous submitted responses. A response can incorporate by reference, information already in the possession of Canada through an earlier submitted response, provided that the specific information being incorporated is clearly identified in writing.”

3. Q&A 4 is hereby replaced in its entirety with:

Question 4: Will the information that will be presented by Canada at the Future Fighter Industry Day be available to the public?

Answer 4: The various decks presented by Canada at the Future Fighter

Industry Day held on January 22, 2018 are provided as attachments under the FFCP Supplier List Invitation main page (<https://buyandsell.gc.ca/procurement-data/tender-notice/PW-NGF-002-26574>)

Additional information associated with the Future Fighter Industry Day is available on the PSCP Webpage “Replacing and Supplementing Canada's Fighters” (<http://www.tpsgc-pwgsc.gc.ca/app-acq/amd-dp/air/snac-nfps/CF-18-eng.html>).
