Amendment 003 is raised for the following:

Questions and Answers

Q2 Are we to be responsible for site civil works? If so, please provide plot plan detailing location of proposed building along with expected scope of work.

A2 The awarded contractor will be responsible for a portion of the civil works. The scope of this will include any required work (architecturally, structurally or mechanically) for proper and safe installation of the mobile home. Ensuring that all services are positioned properly for connections. Any connections of building modules will be done by the awarded contractor as well.

Q3 Are we to be responsible for connecting to existing site services (power & sewer) or are we to provide new? If existing, please provide site plan showing locations of existing services and an expected scope of work.

A3 The awarded contractor will be not responsible for connecting to existing services, however, the awarded contractor will provide direction for connections regarding to the final product.

Q4 Are we to provide foundations? Please provide expected foundation type.

A4 Foundations are required, awarded contractor will work with a civil engineer provided by DFO for best practice.

Q5 Are we to provide for site permitting (septic, electrical, development, environmental, etc.)?

A5 Not required.

All other terms and conditions remain the same.
