This solicitation amendment is required to incorporate the questions and answers relating to the Request for Proposal.

1. This RFP Amendment 003 is raised to incorporate the questions and answers relating to the Request for Proposal.

The following questions and answers relating to the Request for Proposal are hereby incorporated into this solicitation amendment:

Number	Question	Answer
1	While reviewing the Table 1-Mandatory Technical Performance Requirements (TPR) Evaluation Compliance Matrix we noticed that the Req numbering sequence was not correct. For example, on the RFP page 87 and 88 (SOW 10 and 11 of 44), the Req number goes from 5.1.2.7 to 5.1.2.9 (missing 5.1.2.8). The irregularities continue from 5.1.2.10 then 5.1.2.13 (missing 5.1.2.11 and 5.1.2.12).	After review, Canada has determined that there are no irregularities. All the above mentioned sections are either in the rated or mandatory tables.
2	Then on RFP page 106 (SOW 29 of 44) the numbering goes from section 8 to 13, missing 9, 10, 11 and 12. The Rated requirements table has similar issues. Will the Crown please provide a table that has the correct sequence so bidders may ensure they have addressed all the requirements	After review, Canada has determined that there are no irregularities. The Bidders do not have to provide anything at this time for sections 9, 10, 11 and 12. However, the selected Contractor will be obliged to meet all of the mandatory requirements after contract award.

ALL OTHER TERMS AND CONDITIONS OF THE RFP REMAIN UNCHANGED.
