1 SECTION 1 GENERAL INFORMATION

1.1 Overview of Section 1

The purpose of this section is to provide general information about Canada Mortgage and Housing Corporation (CMHC) and this Request for Proposal (RFP). All capitalized terms in this document have the meaning ascribed to them within the RFP document, the draft agreement, or in certain cases, are terms that are in commonly usage at CMHC.

1.2 Introduction and Scope

CMHC wishes to enter into an **Agreement** with a vendor(s) (hereafter referred to as the “proponent(s)”) for the purpose of Raptors Wildlife Management on Granville Island.

This Agreement will have an initial term of up to 2 years, with the potential to renew for 3 subsequent one-year renewals, not to exceed a cumulative total of 5 years.

The value of this service is expected to range from \$100,000.00 to \$160,000.00 CDN for the initial term of the Agreement, including all applicable taxes.

By issuing this RFP and accepting proposals, CMHC assumes the obligation of conducting the process in a fair and transparent manner. CMHC has no obligation to procure any services, or to compensate any proponent for work done other than as may be set out in a written contract with that proponent.

1.3 CMHC Background

CMHC is the Government of Canada’s National Housing Agency, with a mandate to help Canadians gain access to a wide choice of quality, affordable homes. It is a Crown corporation, with a Board of Directors, reporting to Parliament through the Minister of Families, Children and Social Development, and Minister responsible for Canada Mortgage and Housing Corporation, the Honourable Jean-Yves Duclos.

CMHC has 2,000 employees located at its National Office in Ottawa, and at various Business Centres throughout Canada. The Business Centre areas are divided into five regions: Atlantic; Quebec; Ontario; British Columbia; and Prairies & Territories.

The administration, management and control of the revitalization of Granville Island was transferred to CMHC by Order-in-council in 1972, as CMHC was already deeply involved in as innovative housing development in the area and it had experience in urban renewal and the skilled resources necessary to carry out the challenge.

Granville Island in Vancouver is designed to attract local residents and visitors to meet, explore and experience a variety of cultural, recreational, educational, commercial and industrial activities, all year round.

CMHC RFP: Raptors Wildlife Management (Granville Island)

Submission Deadline: 11:00 AM PST, February 12, 2018 File #: 201703810

It is recognized as one of the most successful waterfront developments in North America. Granville Island is comprised of 15.2 hectares (37.6 acres) of land area and 2.1 hectares (5.3 acres) of tidal water area, and represents a major public land holding in close proximity to downtown Vancouver. Situated in False Creek between the Burrard and Granville Bridges, it is adjacent to the marinas and aquatic activities of both False Creek and English Bay.

Map of Granville Island:

Granville Island is currently home to approximately 275 businesses and facilities which employ more than 2,500 people and generate in excess of \$130 million in economic activity.

1.4 Purpose of Request for Proposal

CMHC uses an RFP to describe its requirements, ask suppliers for their proposed solutions, describe the criteria which will be used in evaluating proposals and selecting a lead proponent, and outline the terms and conditions under which the successful proponent will operate or supply goods and/or services. By submitting a proposal, proponents agree to be bound by the terms of this RFP, and the terms of the proposal that they submit.

In this RFP process, proposals and proponents are evaluated in terms of ability to satisfy the stated requirements, while providing best value to CMHC with respect to its requirements.

1.5 Service Providers Database

CMHC utilizes the Supplier Information (SI) database, maintained by **Public Works and Government Services Canada** as the Official CMHC source list.

CMHC RFP: Raptors Wildlife Management (Granville Island)

Submission Deadline: 11:00 AM PST, February 12, 2018 File #: 201703810

The Procurement Business Number (PBN) provided by this registration must be included with your proposal. If you are not registered, and you wish to do so, you may access (<https://buyandsell.gc.ca/>) or you may call their Information Line at: 1-800-811-1148.

1.6 Schedule of Events

The following schedule summarizes significant target dates for the RFP process. These dates are objectives only, and they may be changed by CMHC at its sole discretion. They shall not be considered terms or conditions under which the RFP will be conducted.

Date	Activities
January 29, 2018	Request for Proposal issued
February 6, 2018	Submission of Questions Deadline
February 12, 2018	Submission Deadline
February 2018	Evaluation and Selection of lead proponent
March 2018	Agreement award and finalization with lead proponent

1.7 Mandatory Requirements

Throughout this RFP, certain requirements are identified as mandatory. Compliance with mandatory requirements will be assessed by CMHC in its sole discretion.

A mandatory requirement is defined as:

- a minimum standard that a proposal must meet in order to be considered for further evaluation;
- a requirement that must be met in order for the proponent to substantially comply with the requirements of the RFP; and
- a term that must be included in any Agreement that results from the RFP

Mandatory requirements are identified in:

- Section 2 Submission Instructions
- Section 4 Proposal Requirements
- Section 6 Proposed Agreement, and
- Appendix A The Certificate of Submission.

Caution: Proposals which fail, in the reasonable discretion of CMHC, to meet any mandatory requirement will be eliminated from further consideration in the evaluation process.

Notwithstanding the foregoing, CMHC reserves the right to waive or revise any mandatory requirements during the RFP process if a waiver or revision is necessary to meet the CMHC's intent in issuing the RFP, or to ensure that CMHC receives best value from the process.

CMHC RFP: Raptors Wildlife Management (Granville Island)

Submission Deadline: 11:00 AM PST, February 12, 2018 File #: 201703810

In the event that CMHC elects to waive a mandatory requirement, all proponents will be advised of the change in requirements and provided with an opportunity to revise their proposals as noted in section 2.4.

1.8 Procurement Policy Re: The Environment

CMHC fully supports the principle of sustainable development. Economic development and the preservation of the environment are each given consideration in the RFP process to help ensure that the actions of one generation do not compromise the ability of future generations to have an equal quality of life. To this end, CMHC is dedicated to integrating sound environmental practices into its procurement practices.

The Contracting Authority may authorize preferential pricing of up to ten percent for the purchase of more environmentally sound commodities. The evaluation methodology in Section 5 describes any environmental preferences associated with this procurement.

1.9 Proponent Feedback

CMHC aims to continuously improve its bid documents and procedures. CMHC welcomes input regarding proponent experience in responding to its RFPs, whether it be positive or negative. As CMHC does not wish to be perceived as influenced by such feedback in the award decision, proponents are requested to submit their feedback after an Agreement has been executed or the RFP process has been terminated.

Proponents wishing to provide feedback may submit comments labeled as ***Proponent Feedback RFP # 201703810*** to the name and address provided in Section 2.4.

Any proponent who notes a material flaw in the RFP that could prevent the process from being conducted in a fair and objective manner, or that could prevent CMHC from receiving best value from the process, is asked to report the flaw to CMHC as soon as possible, using the inquiry process specified in Section 2.4

1.10 Payments and Income Tax Reporting Requirement

All payments and transfers of funds under any resulting contract will be made by means of mailed cheques, unless an exception is requested in the proposal and is approved prior to execution of a contract.

Throughout the term, the Contractor will be required to ensure that the information provided remains accurate and up to date. The Contractor assumes full responsibility for and indemnifies CMHC from and against any errors in payments or tax reporting that arise because the information supplied is inaccurate or out of date.

2 SECTION 2 SUBMISSION INSTRUCTIONS

2.1 Overview of Section 2

The purpose of Section 2 is to inform the proponent about CMHC's procedures and rules pertaining to this RFP process.

Proponents are advised that CMHC has provided a Mandatory Compliance Checklist as Appendix C to the RFP. The Checklist is provided for the benefit of proponents prior to submission of their proposals, to help them ensure that they have complied with all mandatory requirements. Non-compliance with a mandatory requirement will result in the proposal being eliminated from further consideration.

2.2 Certificate of Submission

The Certificate of Submission, attached as Appendix A, summarizes some of the mandatory requirements set out in the RFP. As noted in Section 1.7, it is also a mandatory requirement that a proposal include a Certificate of Submission (or an accurate reproduction) signed by the proponent.

Should a proponent not include the signed Certificate of Submission with its proposal, the proponent will be notified by CMHC and will have 48 hours from the time of notification to meet this requirement.

2.3 Delivery Instructions and Deadline (by EBID)

Timely and correct delivery of proposals to the exact specified proposal delivery address is the sole responsibility of the proponent. All risks and consequences of a failure to deliver a proposal to CMHC are borne by the proponent. CMHC will not assume those risks or responsibilities under any circumstances.

The time of delivery for the purposes of this section is deemed to be the time recorded by the CMHC system receiving the proposal, and not the time the proposal was sent by the proponent.

Please be advised that EBID has a size limitation 10 MB. It is advisable and recommended that Proponents submit larger proposals in multiple smaller files.

Upon receipt of proposals, an automated confirmation will be issued by EBID to the sender's e-mail address. It is strongly recommended that proponents follow up with the inquiries person named in Section 2.4 should they not receive said confirmation within 30 minutes of submission.

Please be advised that electronic transmissions may not necessarily be immediate and can experience lengthy delivery delays. Proponents should ensure that sufficient delivery time is allowed, as they assume the risk of delays in transmission and receipt.

Submission Deadline: 11:00 AM PST, February 12, 2018 File #: 201703810

All written questions submitted, which in the opinion of CMHC raise an issue that has the potential to affect all proponents, will be answered by CMHC in writing and distributed to all proponents by GETS. The identity of the proponent making the inquiry will not be included in the response. Any questions of a proprietary nature must be clearly marked as such.

In the event that it becomes necessary to revise any part of the RFP as a result of any inquiry or for any other reason, an addendum to this RFP will be provided to proponents by GETS.

CMHC has no obligation to respond to any inquiry, and will determine, at its sole discretion, whether it will respond to inquiries that are submitted. CMHC cannot guarantee a reply to inquiries received less than seven calendar days prior to the closing date.

2.5 Communication

During proposal evaluations, CMHC reserves the right to contact or meet with any individual proponent in order to obtain clarification of its submission, including clarification of the scope of services offered. Any such communication is limited to clarification purposes only, and proponents will not be allowed to revise their proposal during this process.

2.6 Proponent Contact

The proponent shall name a person in their proposal to act as a primary contact for CMHC during the evaluation period. A secondary contact should also be provided for backup purposes.

2.7 Offering Period **MANDATORY**

It is a deemed condition of every proposal that the terms of the proposal, including all terms relating to pricing, shall remain valid and binding on the proponent until such time as an Agreement is negotiated and executed, not to exceed sixty (60) days following the closing date.

2.8 Changes to Proposals

Changes to a proposal are permitted, provided that they are received as an addendum to, or clarification of, a previously submitted proposal, or as a new proposal that replaces and supersedes the proposal that was previously submitted.

Any addendum, clarification, or new proposal must be submitted as per the delivery instructions outlined in Section 2.3, be clearly marked **“REVISION”**, and be received no later than the submission deadline. Where the new proposal is intended to replace all or part of an earlier proposal, it must be accompanied by a clear statement specifying the sections of the earlier proposal that are replaced by the new proposal.

2.9 Multiple Proposals

Proponents interested in submitting more than one proposal for consideration may do so, provided that each proposal independently complies with the instructions, terms and conditions of this RFP.

2.10 Acceptable Alternative

An alternative to any portion of a proposal may be submitted as an addendum to a proposal.

Where the alternative proposal relates to a mandatory requirement, the alternative must meet that requirement.

2.11 No Liability

While CMHC has made considerable efforts to ensure that the information in this RFP is accurate and complete, it is possible that errors may exist. The information is not guaranteed or warranted to be accurate by CMHC, nor is it necessarily comprehensive or exhaustive. CMHC will have no liability of any kind to proponents for losses or damages arising from any errors that may be found in the RFP, regardless of how the errors are caused. Proponents remain obliged to make their own investigation of relevant information and to form their own opinions and conclusions in respect of the matters addressed in this RFP.

By submitting a proposal, proponents waive any claim or cause of action that they may have against CMHC or its representatives as a result of the conduct of this RFP process or any resulting contract award, except insofar as they have proof of wilful misconduct on the part of CMHC or its representatives. Proponents agree that they will not bring a court action or institute any other proceedings against CMHC for damages arising from the conduct of this RFP or any resulting contract award. This section is intended to be a complete waiver of the proponent's right to claim damages subject to the limited exception noted above.

2.12 Verification of Proposals

The proponent authorizes CMHC to conduct such investigation as it deems appropriate to verify the contents of the proponent's proposal.

2.13 Ownership of Responses

All proposals and related materials become the property of CMHC upon submission and CMHC shall have all intellectual property rights in those proposals and materials. Proposals and related materials will not be returned to proponents. Proponents are not entitled to any compensation for any work related to, or materials supplied in the preparation of their proposals.

The proponent warrants that the proponent possesses all rights necessary to satisfy this requirement. The proponent hereby certifies that it has waived, or has obtained a waiver in favour of CMHC of, all moral rights in the proposal and related materials, and hereby assigns all rights in the material, as provided for in the law of copyright.

CMHC RFP: Raptors Wildlife Management (Granville Island)

Submission Deadline: 11:00 AM PST, February 12, 2018 File #: 201703810

The proponent agrees to execute any document requested by CMHC acknowledging CMHC's ownership of the material and the waiver of moral rights therein.

All information regarding the terms and conditions, financial and/or technical aspects of the proponent's proposal which are of a proprietary or confidential nature, must be clearly marked "**PROPRIETARY**" or "**CONFIDENTIAL**". Proprietary and confidential markings shall be included beside **each item or at the top of each page containing information that the proponent wishes to protect from disclosure.**

CMHC will take steps to protect proponents' documents and information so marked from disclosure. Notwithstanding the foregoing, CMHC shall have no liability of any kind to proponents based on the inadvertent or unintentional disclosure of proprietary information.

Proponents are further advised that as a Crown corporation, CMHC is subject to the federal legislation with respect to access to information and privacy. In certain specific circumstances, information submitted to CMHC by third parties may be required to be disclosed pursuant to federal legislation. In such cases, to the extent reasonably possible, CMHC will make efforts to advise the proponent of the required disclosure prior to releasing the information.

2.14 Proprietary Information

Information about CMHC that is contained in this RFP document is to be considered proprietary information of CMHC. It is made available for the sole purpose of providing proponents with sufficient information to prepare responses to the RFP. Proponents and other readers of this document may not make any other use of information contained in the RFP.

2.15 Corporation Identification

Proponents agree that they will not make any use whatsoever of CMHC's name, logo or other official marks without the express written consent of CMHC.

2.16 Declaration with respect to Gratuities

By submitting a proposal, the proponent certifies that no representative of the proponent, or any individual or entity associated with the proponent has offered or given a gratuity (e.g. an entertainment or gift) or other benefit to any CMHC employee, Board member or Governor-in-Council appointee with the intention of obtaining favourable treatment from CMHC.

2.17 Conflict of Interest

The proponent and its principals, employees and agents shall avoid any real, potential or apparent conflict of interest during the RFP process, and upon becoming aware of a real, potential or apparent conflict, shall immediately declare the conflict to CMHC. The proponent shall then, upon direction of CMHC, take steps to eliminate the conflict, potential conflict or perception that a conflict of interest exists.

CMHC RFP: Raptors Wildlife Management (Granville Island)

Submission Deadline: 11:00 AM PST, February 12, 2018 File #: 201703810

The successful proponent must not provide any services to any third party in circumstances that might reasonably give rise to a conflict of interest between the proponent's duties to that third party and the proponent's duties to CMHC.

In the event that a conflict of interest, real, potential or perceived, cannot be resolved to the satisfaction of CMHC, CMHC shall have the right to immediately eliminate the proponent from consideration under the RFP or to terminate the resulting agreement. Upon such elimination or termination, CMHC shall have no obligation of any nature or kind to the proponent.

2.18 Declaration with respect to Bid Rigging and Collusion

By submitting its proposal, the proponent certifies that:

- (a) prices as submitted in its proposal have been arrived at independently from those of any other proponent;
- (b) the prices as submitted have not been knowingly disclosed by the proponent, and will not knowingly be disclosed by the proponent prior to award, directly or indirectly, to any other proponent or competitor; and
- (c) no attempt has been made, nor will be made, to induce any other person to submit, or not to submit, a proposal, for the purpose of restricting competition.

2.19 Security Clearance

CMHC requires employees of the selected proponent to be security cleared in order to permit them access to CMHC premises when and if required. This process normally takes approximately five working days, but may take longer, depending on the circumstances.

If they are not security cleared, the proponent or its employees will require an escort by a CMHC employee if required to access CMHC premises and will not be granted access to CMHC information and systems or any confidential information. Where the required security clearance is not granted to an individual, CMHC will have the right to exclude that individual from performing the services outlined in this RFP. The failure of an individual to obtain security clearance shall not relieve the successful proponent from any of its obligations under this RFP and any resulting agreement.

2.20 Joint Venture Responses

Joint venture proposals should adequately represent and communicate the proposed roles and responsibilities of each party participating in the joint venture, and must provide a detailed description of the proposed joint venture business arrangement. The description must, at a minimum, list the companies involved, indicate how long the business arrangement has been (or will be) in existence, outline the goods or service(s) that each respective party would be providing and describe the proposed roles and responsibilities of each party.

The proponent shall designate one of the entities participating in the joint venture as the contact person for the purpose of this RFP process. All communications between the proponent and CMHC will be directed through the contact person.

CMHC RFP: Raptors Wildlife Management (Granville Island)

Submission Deadline: 11:00 AM PST, February 12, 2018 File #: 201703810

Joint venture responses must be accompanied by a signed Certification of Submission from each participating entity. Refer to Section 2.2.

2.21 Non-Disclosure of CMHC Information

Under this section, “CMHC Information” refers to any and all information of a confidential nature, including all personal information, which is managed, accessed, collected, used, disclosed, retained, received, created or disposed of by CMHC in order to complete this RFP process and to fulfill the requirements of any resulting agreement. Without limiting the generality of the foregoing, CMHC Information includes information held in any format and information provided directly, indirectly to the proponent.

The proponent understands and agrees to treat all CMHC Information as proprietary, confidential and sensitive, unless otherwise specifically agreed to in writing by CMHC. The proponent agrees to restrict access to CMHC Information to those persons who have a need to know this information in order to prepare the proponent’s response to this RFP, or perform the work or services under any resulting agreement.

The proponent further acknowledges and understands that all CMHC Information is subject to Canadian laws on privacy and access to information under which CMHC is bound and that CMHC considers CMHC information to be under its custody and control at all times.

The proponent shall ensure that CMHC Information remains in Canada and expressly agrees to segregate CMHC Information (whether in electronic format or in hard copy) from any other information by electronic or physical means. Without limiting the generality of the foregoing, the proponent shall not and shall ensure that any subcontractor, reseller, agent or any other person engaged to perform any part of the work or services does not release, share or otherwise divulge CMHC Information to any other person including subsidiaries, branch offices, partners or subcontractors of the proponent without the prior written consent of CMHC.

Where disclosure of CMHC Information is required pursuant to a lawful requirement or for the purposes of complying with a subpoena or warrant lawfully issued or lawfully made by a court, person or body, the proponent shall notify CMHC promptly after discovering the potential of disclosure of the CMHC Information so that CMHC has the opportunity to seek a protective order or other appropriate remedy.

The proponent also agrees that in the event that disclosure of CMHC Information is required by a valid and applicable law, it shall, in co-operation with CMHC, act in good faith to prevent access to CMHC Information including but not limited to taking appropriate legal action against disclosure, providing information and other assistance in order for CMHC to take appropriate legal action against disclosure, and ensuring that disclosure is strictly limited to the information lawfully requested.

3 SECTION 3 STATEMENT OF WORK

3.1 Overview of Section 3

This section of the RFP is intended to provide the proponent with the information necessary to develop a responsive proposal. The Statement of Work is a complete description of the tasks to be done, results to be achieved and/or the goods to be supplied.

3.2 Mandatory Requirements

A mandatory requirement is a minimum standard that a proposal must meet in order to be considered for further evaluation.

Any mandatory requirements associated with the Statement of Work are clearly identified in Section 4 - Proposal Requirement.

The Mandatory Compliance Checklist is located at Appendix C (7.3).

3.3 Statement of Work

Canada Mortgage and Housing Corporation (CMHC) requires a Service Provider to provide a bird control and bird of prey (Raptors) education program for Granville Island. The Service Provider will provide Raptors with experienced trainers to Granville Island when requested by the designated representative of CMHC. It is not expected that the Raptors will be required to fly on site; however, they must be presented in a visible manner to discourage unwanted birds. The Service involves discouraging birds such as gulls and pigeons from roosting or loitering on Granville Island while the Service Provider is on site, specifically around the Public Market and Public Market Courtyard. A humane and non-lethal solution is required. The Service Provider will provide all experience, equipment, and labour necessary to perform the Services.

Trainers and Raptors must be equipped for all types of outdoor weather in the environment next to False Creek in Vancouver. As Granville Island is a very public and busy site, it may be necessary for trainers to answer queries from curious visitors; Raptors must be comfortable around the public and be physically secured to trainers.

The Service Provider will provide two Raptors , with an associated qualified trainer for each, for 1½ hours during the period of 11:00am – 12:30pm. Alternatively, the Service Provider will provide one trainer and one Raptor during the period of 11:00am – 2:00pm.

The Services will be as-requested by CMHC. The Service Provider and CMHC will negotiate service dates and times for each season but CMHC reserves the right to reduce or halt the Services at any time.

In the event that the Canadian Food Inspection Agency [CFIA] restricts the movement of any and all avian product the Service Provider will comply with such order[s]. This directive from the CFIA may cause a pause without penalty in the Services. The Service Provider will continue the Services when CFIA approves such.

CMHC RFP: Raptors Wildlife Management (Granville Island)

Submission Deadline: 11:00 AM PST, February 12, 2018 File #: 201703810

The Service Provider will maintain the appropriate permits necessary under the B.C. Wildlife Act (Permit Regulation) to possess and display birds of prey (Raptors).

CMHC will provide the following: obtain and hold valid during the term, a Harassment Permit from Environment and Climate Change Canada pertaining to Harassing the Gulls, along with naming of Service Provider on the permit and a copy supplied to the Service Provider. CMHC to supply visual signage of “NO FEEDING OF BIRDS”, and provide positive enforcement of “no feeding of the birds.”

Once a lead proponent is selected following the RFP evaluation process, CMHC may request the financial information necessary to confirm the financial capacity of the proponent. This section details the review that may be conducted and the documents that are required of the lead proponent.

5 SECTION 5 EVALUATION AND SELECTION

5.1 Overview of Section 5

Section 5 describes the process CMHC will use to evaluate proposals, select a lead proponent and finalize and sign an agreement.

CMHC commits to conducting the evaluation process in a fair and objective manner and treating all proponents equitably. To this end, it has set out detailed terms and conditions and evaluation criteria which will be applied uniformly to all proponents.

As per section 2.11, by submitting a proposal, proponents agree to relinquish all causes of action, claims, complaints or demands that they may have against CMHC arising out of its evaluation of proposals, the alteration of any terms and conditions, the failure to evaluate any proposal, the failure to sign an agreement with a proponent, or the termination of this RFP process.

CMHC intends to conduct the RFP process such that the proposal that represents the best value to CMHC, based on its operational requirements, is selected. The lowest cost proposal will not necessarily be selected. CMHC reserves the right to reject any or all proposals in whole or in part on the basis of this principle.

5.2 Limitation of Damages

The proponent, by submitting a proposal and subject to section 2.11, agrees that under no circumstances will it claim damages in excess of the reasonable costs incurred by the proponent in preparing its proposal. The proponent waives any claim for loss of profits or other indirect or special damages.

5.3 Evaluation Table

The Evaluation Table as provided in Appendix "B" lists the criteria upon which each proposal will be evaluated. The criteria are based on the requirements as provided in this RFP.

5.4 Evaluation Methodology

Each proposal will be examined to determine compliance with each mandatory requirement identified in this RFP. A proposal must comply with all of the mandatory requirements in order to proceed in the evaluation process. A proposal which is deemed by CMHC to be non-compliant in one or more mandatory requirements will be eliminated from further consideration. A proposal which meets all the mandatory requirements will be deemed compliant and will proceed in the evaluation process.

Each compliant proposal will first be individually evaluated by each member of the Evaluation Committee that is formed by CMHC for this purpose. Evaluators will evaluate each proposal in accordance with the evaluation criteria as shown in the Evaluation Table, Appendix "B". Once individual evaluations are complete, the Evaluation Committee members will discuss their scores and agree upon a final score for each proposal.

A proposal must meet the minimum upset score in each category (as shown on the Evaluation Table) to remain in the evaluation process.

Each compliant proposal that meets the minimum upset scores in each category shall then be evaluated using the “weighted” evaluation process. Technical criteria and pricing are weighted (out of a total 100) based on the CA’s identification of importance. Pricing is scored based on a formula where the lowest price obtains the highest score (5 out of 5) and all prices are then pro-rated. All criterion scores are added and the proposal with the highest overall score is deemed to be the lead proponent.

5.5 Financial Evaluation

Once a lead proponent is identified, CMHC may carry out a credit check and/or a financial capacity on the lead proponent. The financial evaluation will be based on the information that is requested as per Section 4.7 of this RFP.

The financial evaluation is a pass/fail evaluation to determine whether the lead proponent has the financial capacity required to provide CMHC with reasonable assurance that it will be able to meet its obligations if it enters into an agreement with CMHC. If the lead proponent passes the financial evaluation, CMHC is then in a position to begin contract negotiations. If the lead proponent fails the evaluation, it is disqualified from further consideration.

5.6 Proponent Selection

Once a lead proponent has passed the financial evaluation, CMHC has the option of entering into negotiations with that proponent to incorporate some or all of its proposal into an agreement. If at any time CMHC decides that the lead proponent cannot satisfy CMHC’s requirements, CMHC may terminate negotiations. If at this time CMHC feels that the secondary proponent may meet the requirements, CMHC will continue the process with the secondary proponent and so on.

By submitting a proposal, proponents agree that if they are selected as lead proponent, they will enter into contract negotiations in a timely manner and in good faith, and within the framework of the RFP and the proponent’s response to the RFP.

Announcement of the successful proponent will be made to all proponents following the signing of an agreement.

6 SECTION 6 DRAFT AGREEMENT

6.1 Overview of Section 6

Attached in Section 6.2 is a draft agreement containing terms and conditions that will form the basis of the agreement resulting from this RFP. CMHC reserves the right to add, delete or revise terms and conditions during negotiations.

Terms and conditions identified as “Mandatory” in the RFP or draft Agreement must be included in the agreement. The proponent’s proposal and all associated correspondence from the proponent, where relevant, shall to the extent desired by CMHC, also form part of the resulting contract.

Submission of a proposal constitutes acknowledgement that the proponent has read and, unless otherwise stated in the proponent’s proposal, agrees to be bound by the terms and conditions in the draft agreement in the event that the proponent is selected by CMHC to enter into a contract.

For the purposes of this section the term “Contractor” refers to the successful proponent with whom CMHC enters into an agreement.
