

Question 7

Could you please provide the reasons the relative weighting of two of the proposal evaluation criteria -- Proponent Qualifications and Response to Statement of Work – was changed from 25%/35% to 35%/25%.

Answer 7

This reflects the importance placed on Criteria one – including example report highlighting communication ability and the changes made to Criteria one and two.

Question 8

Could you please provide the reasons the weighting of the project Management Plan was reduced from 15% to 5%.

Answer 8

The weight was updated to reflect the importance of the revised criteria.
