Amendment 002 is raised to incorporate a change to **4.1.2.2 Technical Evaluation** below:

#### 4.1.2.2 Technical Evaluation

##### 4.1.2.2.1 Mandatory Technical Criteria

Delete in its entirety

Insert as follows

To be considered responsive, an offer must meet all of the following mandatory evaluation criteria. Offers not meeting all of the mandatory requirements will be given no further consideration.

The offeror must provide evidence of its experience and past performance by referencing projects or contracts satisfactorily rendered for a minimum of two (2) years within the last five (5) years in the repairs and installation of various types of roofing systems, wherein the range of services provided are comparable to those described in this Request for Standing Offer. Merely stating that the offeror has been in business or performing roofing contracts/projects within the last 5 years or more does not constitute evidence nor past performance. The offeror's start and completion date for all referenced project or contract must total two years. The Start and completion dates for each project must be completed by each offeror. For evaluation purposes, Projects on or after **January 01, 2013** constitutes past 5 years.

Offeror's can provide more projects and contracts to demonstrate two (2) years' experience. Please provide the information in the format shown below and submit a separate table for each Project.
