### **Amendment 03**

This amendment is being raised to distribute the question and answer.

#### **A) QUESTION & ANSWER**

**Q1** Please clarify: 2.4 – Common Excavation and compaction, disposal outside of national park. Should this be cut and fill only? 1,220m<sup>3</sup>. Item is unclear as to what is to be excavation and compacted and volume to be hauled off site. Would item 2.5 cover the disposal amount for item 2.4??

**A1** Item 2.5 quantity is calculated by subtracting the existing elevations from the proposed elevations, there is excess cut and material will need to be disposed outside of the National Park. 2.4 is the cut required for under the new parking area for the Crushed Gravel Base and Parking Lot Hot Mix Asphalt, there is excess cut and material will need to be disposed outside of the National Park.

**All other terms and conditions remain unchanged.**
