- Q1.** In appendix A, 1.1- The work plan describes approximately 5 contractors and 1000 audits/ inspections per year. Is that 1000 audits each contractor, or split between the 5 contractors?
- A1.** Based on the current volume of CCMC clients, we are anticipating approx. 5 contractors sharing approx. 1000 audits per year (in future that number may be higher).
- Q2.** In appendix B, P2- Does my included list of MasterFormat® numbers have to exactly coincide with service done under my scope of accreditation in P1? Our team has expertise in a broad range of areas further than what my company is accredited for under the ISO/IEC 17020.
- A2.** The bidder need not correlate their MasterFormat® 'capabilities' to their scope of accreditation, however, provided MF numbers should be limited to areas of service which can be provided under their accreditation.
