Remove selected racer rails and store for reinstallation. Reinstall racer rails, cannon carriages and cannons following installation of the new waterproofing system"

Question: Can you please advise, which cannons we are required to remove, salvage and reinstall. If removal is required, then can we put on the Terreplein during waterproofing work?

A-1: No cannon work is part of this project. Contractor is only required to support cannons to allow for work under the cannons.

**END OF SECTION.
ALL OTHER TERMS AND CONDITIONS REMAIN UNCHANGED.**
