**This amendment no. 001 is being raised to revise the solicitation document for solicitation W0168E-17KM24/A and answer the following questions:**

**Questions:**

- Q1) As proper setup of the equipment will require profiling of the floor surface in each bay, how many bays will the machine be used in?
- A1) The machine will be utilized in 4 different bays.
- Q2) How many people will training be required for?
- A2) Training will be required for up to ten people.

**Revisions to the Solicitation Document:**

**On page 16 of 18, Additional Requirements:**

**Delete:** In its entirety.

**Insert:**

**Additional Requirements**

- The alignment machine must be delivered, set up and tested by the supplier's representative at no additional expense to the Department of National Defense (DND). The machine will be utilized in a total of four bays. It is the supplier's responsibility to ensure the machine is properly set up for use in all four bays.
- The supplier must provide technical training on usage within 7 days of delivery. Training will be required for a maximum of 10 people.
- The supplier must remove all packaging materials which may accompany the wheel alignment machine upon completion of set up of equipment.
- Equipment must be fully operational within 24 hours of delivery.
- A copy of the operating manual must be provided upon delivery.
- The operating manual must be provided in both English and French.

**ALL OTHER TERMS AND CONDITIONS REMAIN UNCHANGED**
