

Question 13

With respect to Section 23 (Payment) of the General Conditions, no payment period is stated. Can CMHC please provide the payment timeline? Or is there a policy document that will contain this information that can be provided?

Answer

The proponent is to provide monthly progress invoices that are to be compared to the completed percentage of work in the field, which will be verified by the CMHC's Engineering Representative. Upon approval of the percentage completed work, the proponent shall be paid within 30 days.

---
