2009 01 (2016-04-04) Interpretation

In the Standing Offer, unless the context otherwise requires,

"Authorized User"

means a Federal Identified User and Provincial/Territorial Identified User as specified in the Standing Offer and authorized to make call-ups against the Standing Offer;

"Call-up"

means an order issued by an Authorized User duly authorized to issue a call-up against a particular standing offer. Issuance of a call-up to the Offeror constitutes acceptance of its offer and results in the creation of a contract between Authorized Users and the Offeror for the goods, services or both described in the Call-up;

"Canada", "Crown", "Her Majesty" or "the Government"

means Her Majesty the Queen in right of Canada as represented by the Minister of Public Works and Government Services and any other person duly authorized to act on behalf of that Minister;

"Federal Identified User"

means any Federal Government Department, agency or Crown corporation listed in Schedules I, I.1, II, III, of the Financial Administration Act, R.S., 1985, c. F-11;

"Offeror"

means the person or entity whose name appears on the signature page of the Standing Offer and who offers to provide goods, services or both to Authorized Users under the Standing Offer;

"Provincial/Territorial Identified User"

means any Canadian province or territory including Municipal, Academic Institutions, Schools and Hospitals Sector (MASH), as applicable, to whom the Minister of the Department of Public Works and Government Services can provide access to its procurement services and instruments. The MASH Sector can include regional, local, district or other forms of municipal government, school boards, publicly-funded academic, health and social service entities, as well as any corporation or entity owned or controlled by one or more of the preceding entities, which are identified in the Standing Offer;

"Standing Offer"

means the written offer from the Offeror, the clauses and conditions set out in full text or incorporated by reference from the Standard Acquisition Clauses and Conditions Manual, these general conditions, annexes and any other document specified or referred to as forming part of the Standing Offer;

"Standing Offer Authority"

means the person designated as such in the Standing Offer, or by notice to the Offeror, to act as the representative of Canada in the management of the Standing Offer. The Standing Offer Authority will issue a document called "Standing Offer and Call-up Authority" to permit Authorized Users to make call-ups against the Standing Offer and to notify the Offeror that authority to make call-ups against the Standing Offer has been given to Authorized Users;

2009 02 (2015-12-18) General

The Offeror acknowledges that a standing offer is not a contract and that the issuance of a Standing Offer and Call-up Authority does not oblige or commit Authorized Users to procure or contract for any goods, services or both listed in the Standing Offer. The Offeror understands and agrees that Authorized Users have the right to procure the goods, services or both specified in the Standing Offer by means of any other contract, standing offer or contracting method.

2009 03 (2015-12-18) Standard Conditions and Clauses

Pursuant to the Department of Public Works and Government Services Act, S.C. 1996, c.16, the clauses and conditions identified in the Standing Offer by number, date and title are incorporated by reference and form part of the Standing Offer and any contract resulting from the Standing Offer as though expressly set out in the Standing Offer and resulting contract.

2009 04 (2015-12-18) Offer

- 1) The Offeror offers to provide and deliver to Authorized Users the goods, services or both described in the Standing Offer, in accordance with the pricing set out in the Standing Offer if and when the Authorized User may request such goods, services or both, in accordance with the conditions listed at subsection 2 below.
- 2) The Offeror understands and agrees that:
 - a) a call-up against the Standing Offer will form a contract only for those goods, services, or both, which have been called-up, provided that such Call-up is made in accordance with the provisions of the Standing Offer;
 - b) Canada's liability is limited to that which arises from call-ups against the Standing Offer made by Federal Identified Users only within the period specified in the Standing Offer;
 - c) Canada is not acting as an agent for the Provincial/Territorial Identified User nor is the Provincial/Territorial Identified User a principal of Canada. By issuing a call-up against the Standing Offer, the Provincial/Territorial Identified User accepts all responsibilities and liabilities associated with the issuance and management of the call-up;
 - d) Canada may require that the purchase of goods, services or both listed in the Standing Offer be made using an electronic purchasing tool. Canada will provide the Offeror at least three months' notice before imposing such a requirement;
 - e) the Standing Offer cannot be assigned or transferred in whole or in part;
 - f) the Standing Offer may be set aside by Canada at any time.

2009 05 (2015-12-18) Call-ups

If applicable, the Authorized Users will use the form specified in the Standing Offer to order goods, services or both. Goods, services or both may also be ordered by other methods such as telephone, facsimile or electronic means. With the

exception of call-ups paid for with a Government of Canada acquisition card (credit card), call-ups made by telephone must be confirmed in writing on the document specified in the Standing Offer.

Call-ups against the Standing Offer paid for with the Government of Canada acquisition card (credit card) at point of sale must be accorded the same prices and conditions as any other Call-up.

2009 06 (2015-12-18) Withdrawal

In the event that the Offeror wishes to withdraw the Standing Offer after authority to call-up against the Standing Offer has been given, the Offeror must provide no less than 30 days' written notice to the Standing Offer Authority, unless specified otherwise in the Standing Offer. The 30 days' period will start upon receipt of the notification by the Standing Offer Authority and the withdrawal will be effective at the expiry of that period. The Offeror must fulfill any and all call-ups which are made before the expiry of that period.

2009 07 (2015-12-18) Revision

The period of the Standing Offer may only be extended, or its usage increased, by the Standing Offer Authority issuing a revision to the Standing Offer in writing.

2009 08 (2015-12-18) Joint Venture

If the Offeror is a joint venture, the Offeror agrees that all members of the joint venture are jointly and severally or solidarily liable for the performance of any contract resulting from the Standing Offer. If the membership of a joint venture changes, the Standing Offer will be set aside by Canada.

2009 09 (2015-12-18) Disclosure of Information

The Offeror agrees to the disclosure of its standing offer unit prices or rates by Canada, and further agrees that it will have no right to claim against Canada, the Authorized Users, their employees, agents or servants, in relation to such disclosure.

2009 10 (2015-12-18) Publication of Standing Offer Information

- 1) The Offeror agrees that Canada may publish certain information related to the Standing Offer or a catalogue. The Offeror agrees to the disclosure of the following information included in the Standing Offer:
 - a) the conditions of the Standing Offer;
 - b) the Offeror's procurement business number, its name, the name, address, telephone number, fax number and e-mail address of its representative;
 - c) the Offeror's profile and its level of security clearance;
 - d) the Offeror's qualified domains of expertise or the categories for which the Offeror has qualified.
- 2) Canada will not be liable for any errors, inconsistencies or omissions in any published information. If the Offeror identifies any error, inconsistency or omission, the Offeror agrees to notify the Standing Offer Authority immediately.

2009 11 (2016-04-04) Integrity Provisions - Standing Offer

The Ineligibility and Suspension Policy (the "Policy") and all related Directives incorporated by reference into the Request for Standing Offers on its closing date are incorporated into, and form a binding part of the Standing Offer and any resulting contracts. The Offeror must comply with the provisions of the Policy and Directives, which can be found on Public Works and Government Services Canada's website at <http://www.tpsgc-pwgsc.gc.ca/ci-if/politique-policy-eng.htm>

Furthermore, the Offeror acknowledges that section 67.1 of the Access to Information Act, R.S.C. 1985, c.A-1, or its equivalent at the provincial/territorial level, provides that any person, who destroys, alters, falsifies or conceals a record, or directs anyone to do so, with the intent of obstructing the right of access that is provided by the Access to Information Act, or its equivalent at the provincial/territorial level, is guilty of an offence and is liable to imprisonment or a fine, or both.

2009 13 (2015-12-18) Default by the Offeror

- 1) If the Offeror is in default in carrying out any of its obligations under the Standing Offer, the Standing Offer Authority may, by giving written notice to the Offeror, set aside the standing offer. 2009 14 (2016-04-04) Code of Conduct for Procurement – Standing Offer

2015A 03 (2015-12-18) Powers of Authorized User

All rights, remedies, powers and discretions granted or acquired by the Authorized User under the Contract or by law are cumulative, not exclusive.

2015A 04 (2015-12-18) Status of the Contractor

1. The Contractor is an independent contractor engaged by the Authorized User to perform the Work. Nothing in the Contract is intended to create a partnership, a joint venture or an agency between the Authorized User and the Contractor. The Contractor must not represent itself as an agent or representative of the Authorized User to anyone. Neither the Contractor nor any of its personnel is engaged as an employee or agent of the Authorized User. The Contractor is responsible for all deductions and remittances required by law in relation to its employees.
2. Canada has made the Standing Offer available for use by Provincial/Territorial Identified Users in their own right. Canada is not operating as agent for the Provincial/Territorial Identified Users nor is Canada a third party beneficiary to any Contracts between the Contractor and any Provincial/Territorial Identified User. The Provincial/Territorial Identified User is solely responsible for issuance, management and associated liabilities of any Contract entered into with the Contractor.

2015A 05 (2015-12-18) Condition of Material

Unless provided otherwise in the Contract, material supplied must be new and conform to the latest issue of the applicable drawing, specifications and part number that is in effect on the RFSO closing date or, if there was no solicitation, the date of the Contract.

Time is of the essence in the performance of the Contract by the Contractor.

2015A 07 (2015-12-18) Excusable Delay

1. A delay in the performance by the Contractor of any obligation under the Contract that is caused by an event that:
 - a. is beyond the reasonable control of the Contractor;
 - b. could not reasonably have been foreseen;

- c. could not reasonably have been prevented by means reasonably available to the Contractor; and
 - d. occurred without the fault or neglect of the Contractor, will be considered an "Excusable Delay" if the Contractor advises the Contracting Authority of the occurrence of the delay or of the likelihood of the delay as soon as the Contractor becomes aware of it. The Contractor must also advise the Contracting Authority, within 15 working days, of all the circumstances relating to the delay and provide to the Contracting Authority for approval a clear work around plan explaining in detail the steps that the Contractor proposes to take in order to minimize the impact of the event causing the delay.
2. Any delivery date or other date that is directly affected by an Excusable Delay will be postponed for a reasonable time that will not exceed the duration of the Excusable Delay.
3. However, if an Excusable Delay has continued for 30 days or more, the Contracting Authority may, by giving notice in writing to the Contractor, terminate the Contract. In such a case, the Parties agree that neither will make any claim against the other for damages, costs, expected profits or any other loss arising out of the termination or the event that contributed to the Excusable Delay. The Contractor agrees to repay immediately to the Authorized User the portion of any advance payment that is unliquidated at the date of the termination.
4. Unless the Authorized User has caused the delay by failing to meet an obligation under the Contract, the Authorized User will not be responsible for any costs incurred by the Contractor or any of its subcontractors or agents as a result of an Excusable Delay.
5. If the Contract is terminated under this section, the Contracting Authority may require the Contractor to deliver to the Authorized User, in the manner and to the extent directed by the Contracting Authority, any completed parts of the Work not delivered and accepted before the termination and anything that the Contractor has acquired or produced specifically to perform the Contract.  - a) the value, of all completed parts of the Work delivered to and accepted by the Authorized User, based on the Contract Price, including the proportionate part of the Contractor's profit or fee included in the Contract Price; and
 - b) the Cost to the Contractor that the Authorized User considers reasonable in respect of anything else delivered to and accepted by the Authorized User.
6. The total amount paid by the Authorized User under the Contract to the date of termination and any amounts payable under this subsection must not exceed the Contract Price.

2015A 08 (2015-12-18) Inspection and Acceptance of the Work

All the Work is subject to inspection and acceptance by the Authorized User at destination or by the consignee. Inspection and acceptance of the Work by the Authorized User do not relieve the Contractor of its responsibility for defects or other failures to meet the requirements of the Contract. The Authorized User will have the right to reject any work that is not in accordance with the requirements of the Contract and require its correction or replacement at the Contractor's expense.

2015A 09 (2015-12-18) Warranty

1. For a period being the greater of 12 months after delivery and acceptance of the Work, or the length of the Contractor's or manufacturer's standard warranty period, the Contractor, if requested to do so, must replace, repair or correct, at its own option and expense, any defect, failure to conform with the requirements of the Contract or the manufacturer's performance specifications, as applicable.
2. The Authorized User must pay the transportation cost associated with returning the Work or any part of the Work to the Contractor's plant for replacement, repair or making good, and the Contractor must pay the transportation cost associated with return of the Work or part of the Work when rectified to the delivery point specified in the Contract or to another location as directed by the Authorized User. If, in the opinion of the Authorized User, it is not expedient to

remove the Work from its location, the Contractor must carry out any necessary repair or making good of the Work at such location and will be reimbursed its reasonable travel and living expenses.

3. The warranty period is automatically extended by the duration of any period or periods where the Work is unavailable for use or cannot be used because of a defect or non-conformance during the original warranty period. The warranty applies to any part of the Work replaced, repaired or corrected pursuant to subsection 1, for the greater of:
 - a. the warranty period remaining, including the extension, or
 - b. 90 days or such other period as may be agreed to between the Parties.

2015A 10 (2015-12-18) Invoice Submission

1. Invoices must be submitted in the Contractor's name. The Contractor must submit invoices for each delivery or shipment under the Contract. Each invoice must indicate whether it covers partial or final delivery.
2. Invoices must show:
 - a) the name of the Contracting Authority;
 - b) the date, the name and address of the Authorized User, item or reference numbers, deliverable/description of the Work, Contract number, Authorized User Reference Number (CRN), Procurement Business Number (PBN), and financial code(s);
 - c) details of expenditures (such as item, quantity, unit of issue, unit price, fixed time labour rates and level of effort, subcontracts, as applicable) in accordance with the Basis of Payment, exclusive of Applicable Taxes;
 - d) deduction for holdback, if applicable;
 - e) the extension of the totals, if applicable; and
 - f) if applicable, the method of shipment together with date, case numbers and part or reference numbers, shipment charges and any other additional charges.
3. Applicable Taxes must be specified on all invoices as a separate item along with corresponding registration numbers from the tax authorities. All items that are zero-rated, exempt or to which Applicable Taxes do not apply, must be identified as such on all invoices.
4. By submitting an invoice, the Contractor certifies that the invoice is consistent with the Work delivered and is in accordance with the Contract.

2015A 11 (2015-12-18) Taxes

1. Authorized Users are required to pay Applicable Taxes.
2. Applicable Taxes will be paid by the Authorized User as provided in the Invoice Submission section. It is the sole responsibility of the Contractor to charge Applicable Taxes at the correct rate in accordance with applicable legislation. The Contractor agrees to remit to appropriate tax authorities any amounts of Applicable Taxes paid or due.
3. The Contractor is not entitled to use the Authorized User's exemptions from any tax, such as provincial sales taxes, unless otherwise specified by law. The Contractor must pay applicable provincial sales tax, ancillary taxes, and any commodity tax, on taxable goods or services used or consumed in the performance of the Contract (in accordance with applicable legislation), including for material incorporated into real property.
4. In those cases where Applicable Taxes, customs duties, and excise taxes are included in the Contract Price, the Contract Price will be adjusted to reflect any increase, or decrease, of Applicable Taxes, customs duties, and excise

taxes that occur between Offer submission and issuance of a Call-up. However, there will be no adjustment for any change to increase the Contract Price if public notice of the change was given before Offer submission date in sufficient detail to have permitted the Contractor to calculate the effect of the change.

5. Tax Withholding of 15 Percent – Canada Revenue Agency

Pursuant to the [Income Tax Act](#), 1985, c. 1 (5th Supp.) and the [Income Tax Regulations](#), the Authorized User must withhold 15 percent of the amount to be paid to the Contractor in respect of services provided in Canada if the Contractor is not a resident of Canada, unless the Contractor obtains a valid waiver from the [Canada Revenue Agency](#). The amount withheld will be held on account for the Contractor in respect to any tax liability which may be owed to Canada.

2015A 12 (2015-12-18) Transportation Costs

If transportation costs are payable by the Authorized User under the Contract and the Contractor makes the transportation arrangements, shipments must be made by the most direct and economical means consistent with normal shipping practice. The costs must be shown as a separate item on the invoice.

2015A 13 (2015-12-18) Transportation Carriers' Liability

The Authorized User's policy of underwriting its own risks precludes payment of insurance or valuation charges for transportation beyond the point at which ownership of goods passes to the Authorized User (determined by the FOB point or Incoterms). Where increased carrier liability is available without charge, the Contractor must obtain the increased liability for shipment.

2015A 14 (2015-12-18) Shipment Documentation

For the shipment of goods, the transportation bill of lading must accompany the original invoice, except for "collect" shipments (if and when stipulated), in which event it must accompany the shipment. In addition, a packing slip must accompany each shipment, showing item, quantity, part or reference numbers, description of the goods and Standing Offer/Call-up, including the CRN and PBN. If the goods have been inspected at the Contractor's plant, the signed inspection voucher must be attached to the packing slip normally enclosed in the packing note envelope.

2015A 15 (2015-12-18) Payment Period

- a. The Authorized User's standard payment period is 30 days calculated from the date an invoice in acceptable form and content is received in accordance with the Contract or the date the Work is delivered in acceptable condition as required in the Contract, whichever is later. A payment is considered overdue on the 31st day following that date and interest will be paid automatically in accordance with the section 16.
- b. If the content of the invoice and its substantiating documentation are not in accordance with the Contract or the Work is not in acceptable condition, the Authorized User will notify the Contractor within 15 days of receipt. The 30-day payment period begins upon receipt of the revised invoice or the replacement or corrected Work. Failure by the Authorized User to notify the Contractor within 15 days will only result in the date specified in subsection 1 to apply for the sole purpose of calculating interest on overdue accounts.

2015A 16 (2015-12-18) Interest on Overdue Accounts

1. This clause is applicable where payment of interests of overdue accounts is not prohibited by law in an Authorized User's jurisdiction. This clause is not applicable to payments made by Government of Canada acquisition card (credit card).

"Bank Rate" means the rate of interest established from time to time by the Bank of Canada as the minimum rate at which the Bank of Canada makes short term advances to members of the Canadian Payments Association;

"date of payment for a Federal Identified User" means the date of the negotiable instrument drawn by the Receiver General for Canada to pay any amount under the Contract;

"date of payment for a Provincial/Territorial Identified User" means the date of the negotiable instrument drawn by the appropriate authorities of the province/territory to pay any amount under the Contract;

3. The Authorized User will pay to the Contractor simple interest at the Average Rate plus 3 percent per year on any amount that is overdue, from the date that amount becomes overdue until the day before the date of payment, inclusive. The Contractor is not required to provide notice to the Authorized User for interest to be payable. An amount becomes **"overdue"** when it is unpaid on the first day following the day on which it is due and payable according to the Contract;
4. The Authorized User will pay interest in accordance with this section only if the Authorized User is responsible for the delay in paying the Contractor. No interest is payable and the Authorized User will not pay interest on overdue advance payments;

2015A 17 (2015-12-18) Audit

2015A 18 (2015-12-18) Compliance with Applicable Laws

2. However if any payment is made to the Contractor for or on account of any work, either by way of progress or milestone payments, that work paid for by the Authorized User belongs to the Authorized User upon such payment being made. This transfer of ownership does not constitute acceptance by the Authorized User of the Work or any part of the Work and does not relieve the Contractor of its obligation to perform the Work and fulfill any warranty obligations in accordance with the Contract.
3. Despite any transfer of ownership, the Contractor is responsible for any loss or damage to the Work or any part of the Work until it is delivered to the Authorized User in accordance with the Contract. Following delivery, the Contractor remains responsible for any loss or damage to any part of the Work caused by the Contractor or any subcontractor.
4. Upon transfer of ownership to the Work or any part of the Work to the Authorized User, the Contractor must, if requested by the Authorized User, establish to the Authorized User's satisfaction that the title is free and clear of all

claims, liens, attachments, charges or encumbrances. The Contractor must execute any conveyances and other instruments necessary to perfect the title that the Authorized User may require.

2015A 20 (2015-12-18) Authorized User's Property

To be effective, any amendment to the Contract must be in writing and executed by the Contracting Authority and the authorized representative of the Contractor.

2015A 22 (2015-12-18) Assignment

1. The Contractor must not assign the Contract without first obtaining the written consent of the Contracting Authority. Any assignment made without that consent is void and will have no effect. The assignment will be effective upon execution of an assignment agreement signed by the Parties and the assignee.
2. Assignment of the Contract does not relieve the Contractor from any obligation under the Contract and it does not impose any liability upon any Authorized User.

2015A 23 (2015-12-18) Default by the Contractor

1. If the Contractor is in default in carrying out any of its obligations under the Contract, the Contracting Authority may, by giving written notice to the Contractor, terminate for default the Contract or part of the Contract. The termination will take effect immediately or at the expiration of a cure period specified in the notice, if the Contractor has not cured the default to the satisfaction of the Contracting Authority within that cure period.
2. If the Contractor becomes bankrupt or insolvent, makes an assignment for the benefit of creditors, or takes the benefit of any statute relating to bankrupt or insolvent debtors, or if a receiver is appointed under a debt instrument or a receiving order is made against the Contractor, or an order is made or a resolution passed for the winding-up of the Contractor, the Contracting Authority may, to the extent permitted by the laws of Canada or any other applicable provincial law, by giving written notice to the Contractor, immediately terminate for default the Contract or part of the Contract.
3. If the Contracting Authority gives notice under subsection 1 or 2, the Contractor will have no claim for further payment except as provided in this section. The Contractor will be liable to the Authorized User for all losses and damages suffered by the Authorized User because of the default or occurrence upon which the notice was based, including any increase in the cost incurred by the Authorized User in procuring the Work from another source. The Contractor agrees to repay immediately to the Authorized User the portion of any advance payment that is unliquidated at the date of the termination.
4. Upon termination of the Contract under this section, the Contracting Authority may require the Contractor to deliver to the Authorized User, in the manner and to the extent directed by the Contracting Authority, any completed parts of the Work which have not been delivered and accepted before the termination and any materials, parts, plant, equipment or work-in-process which the Contractor has acquired or produced specifically in the fulfilment of the Contract.
5. Subject to the deduction of any claim that the Authorized User may have against the Contractor arising under the Contract or out of the termination, the Authorized User will pay the Contractor the value, determined on the basis of the Contract Price, including the proportionate part of the Contractor's profit or fee included in the Contract Price, of all completed parts of the Work and the Cost to the Contractor that the Contracting Authority considers reasonable in respect of all materials, parts, plant, equipment or work-in-process delivered to the Authorized User pursuant to a direction under subsection 4 and accepted by the Authorized User.

2015A 24 (2015-12-18) Termination for Convenience

1. At any time before the completion of the Work, the Contracting Authority may, by giving notice in writing to the Contractor, terminate for convenience the Contract or part of the Contract. Once such a notice of termination for convenience is given, the Contractor must comply with the requirements of the termination notice. If the Contract is terminated in part only, the Contractor must proceed to complete any part of the Work that is not affected by the termination notice. The termination will take effect immediately or, as the case may be, at the time specified in the termination notice.
2. If a termination notice is given pursuant to subsection 1, the Contractor will be entitled to be paid, for costs that have been reasonably and properly incurred to perform the Contract to the extent that the Contractor has not already been paid or reimbursed by the Authorized User. The Contractor will be paid:
 - a. on the basis of the Contract Price, for all completed work that is inspected and accepted in accordance with the Contract, whether completed before, or after the termination in accordance with the instructions contained in the termination notice;
 - b. the Cost to the Contractor plus a fair and reasonable profit for all work terminated by the termination notice before completion; and
 - c. all costs incidental to the termination of the Work incurred by the Contractor but not including the cost of severance payments or damages to employees whose services are no longer required, except wages that the Contractor is obligated by statute to pay.
3. The Authorized User may reduce the payment in respect of any part of the Work, if upon inspection, it does not meet the requirements of the Contract.
4. The total of the amounts, to which the Contractor is entitled to be paid under this section, together with any amounts paid, due or becoming due to the Contractor must not exceed the Contract Price. The Contractor will have no claim for damages, compensation, loss of profit, allowance arising out of any termination notice given by the Authorized User under this section except to the extent that this section expressly provides. The Contractor agrees to repay immediately to the Contracting Authority the portion of any advance payment that is unliquidated at the date of the termination.

2015A 25 (2015-12-18) Right of Set-off

Without restricting any right of set-off otherwise provided at law, the Authorized User may set-off any amount payable to the Authorized User by the Contractor under the Contract against any amount payable to the Contractor under the Contract or under any other current contract with the Authorized User. The Authorized User may deduct such amounts from any amounts otherwise payable to the Contractor which, by virtue of the right of set-off, may be retained by the Authorized User.

2015A 26 (2015-12-18) Conflict of Interest and Values and Ethics Codes for the Public Service

2015A 27 (2015-12-18) Contingency Fees – Federal Identified User Contracts

For any Contract with Federal Identified Users, the Contractor certifies that it has not, directly or indirectly, paid or agreed to pay and agrees that it will not, directly or indirectly, pay a contingency fee for the solicitation, negotiation or obtaining of the Contract to any person, other than an employee of the Contractor acting in the normal course of the employee's duties. In this section, "contingency fee" means any payment or other compensation that depends or is calculated based on a degree of success in soliciting, negotiating or obtaining the Contract and "person" includes any individual who is required to file a return with the registrar pursuant to section 5 of the [Lobbying Act](#), 1985, c. 44 (4th Supplement).

2. The Contractor must not supply to the Authorized User any goods or services which are subject to economic sanctions.
3. The Contractor must comply with changes to the regulations imposed during the period of the Contract. The Contractor must immediately advise the Authorized User if it is unable to perform the Work or parts thereof, as a result of the imposition of economic sanctions against a country or person or the addition of a good or service to the list of sanctioned goods or services. Any certificate provided by the Contractor as a condition precedent to receiving a Standing Offer, which is identified as applying to the Contract, is incorporated by reference and applies in full to apply to this Contract. There are no terms, covenants, representations, statements or conditions binding on the Parties other than those contained in the Contract.

2015A 31 (2016-04-04) Code of Conduct for Procurement – Federal Identified User Contracts

The Contractor agrees to comply with the [Code of Conduct for Procurement](#) and to be bound by its terms for the period of the Contract.

2015A 32 (2016-04-04) Additional Provisions

1. If any provision of the Contract is declared by a court of competent jurisdiction to be invalid, illegal or unenforceable, that provision will be deemed to be severed from the Contract without affecting the enforceability or validity of any other part of the Contract.
2. The Contract is for the benefit of and binds the successors and permitted assigns of the Parties.

2015A 33 (2016-04-04) Intellectual Property Infringement and Royalties

- 1) The Contractor represents and warrants that, to the best of its knowledge, neither it nor Canada will infringe any third party's intellectual property rights in performing or using the Work, and that Canada will have no obligation to pay royalties of any kind to anyone in connection with the Work.
- 2) If anyone makes a claim against Canada or the Contractor concerning intellectual property infringement or royalties related to the Work, that Party agrees to notify the other Party in writing immediately. If anyone brings a claim against Canada, according to [Department of Justice Act](#), R.S. 1985, c. J-2, the Attorney General of Canada must have the regulation and conduct of all litigation for or against Canada, but the Attorney General may request that the Contractor defend Canada against the claim. In either case, the

Contractor agrees to participate fully in the defence and any settlement negotiations and to pay all costs, damages and legal costs incurred or payable as a result of the claim, including the amount of any settlement. Both Parties agree not to settle any claim unless the other Party first approves the settlement in writing.

- 3) The Contractor has no obligation regarding claims that were only made because:
- (a) Canada modified the Work or part of the Work without the Contractor's consent or used the Work or part of the Work without following a requirement of the Contract; or
 - (b) Canada used the Work or part of the Work with a product that the Contractor did not supply under the Contract (unless that use is described in the Contract or the manufacturer's specifications); or
 - (c) the Contractor used equipment, drawings, specifications or other information supplied to the Contractor by Canada (or by someone authorized by Canada); or
 - (d) the Contractor used a specific item of equipment or software that it obtained because of specific instructions from the Contracting Authority; however, this exception only applies if the Contractor has included the following language in its own contract with the supplier of that equipment or software: "[Supplier name] acknowledges that the purchased items will be used by the Government of Canada. If a third party claims that equipment or software supplied under this contract infringes any intellectual property right, [supplier name], if requested to do so by either [Contractor name] or Canada, will defend both [Contractor name] and Canada against that claim at its own expense and will pay all costs, damages and legal fees payable as a result of that infringement." Obtaining this protection from the supplier is the Contractor's responsibility and, if the Contractor does not do so, it will be responsible to Canada for the claim.
- 4) If anyone claims that, as a result of the Work, the Contractor or Canada is infringing its intellectual property rights, the Contractor must immediately do one of the following:
- (a) take whatever steps are necessary to allow Canada to continue to use the allegedly infringing part of the Work; or
 - (b) modify or replace the Work to avoid intellectual property infringement, while ensuring that the Work continues to meet all the requirements of the Contract; or
 - (c) take back the Work and refund any part of the Contract Price that Canada has already paid.

If the Contractor determines that none of these alternatives can reasonably be achieved, or if the Contractor fails to take any of these steps within a reasonable amount of time, Canada may choose either to require the Contractor to do (c), or to take whatever steps are necessary to acquire the rights to use the allegedly infringing part(s) of the Work itself, in which case the Contractor must reimburse Canada for all the costs it incurs to do so.

**ALL OTHER TERMS AND CONDITIONS OF THE REQUEST FOR
