REQUEST FOR QUOTATION AMENDMENT NO. 001

Request for Quotation Amendment no. 001 is raised for the following reasons:

Publish Canada's Responses to Bidders' questions

NOTE: Bidders' questions are numerically sequenced upon arrival at SSC. Bidders are hereby advised that questions and answers for this solicitation may be issued via BuyandSell.gc.ca out of sequence.

Question 1:

In my research the chipset used for the PS/2 to USB conversion has been discontinued, making the chipset very scarce. From a support standpoint it the scarcity of these chipsets will make the KVM harder to support for the long term. Would it be possible to drop this spec or accept secure KVMs that do not have PS/2?

Answer 1:

No, the requirement is required to support legacy systems.

ALL OTHER TERMS AND CONDITIONS OF THE REQUEST FOR QUOTATION (RFQ) REMAIN UNCHANGED.
