Tender File #: 201800159
Granville Island Track Removal and Road Remediation

The Tender Documents for File #: 201800159, shall be amended as follows:

1. Questions and Answers

The following are the Corporation's answers to questions received:

Q10. We are working through the tendering process for the Granville Island Track Removal & Road Remediation Tender (closes March 1st) and I am interested to know if CMHC awarded the contract for the Paving Services on Granville Island. If so, are you able to divulge any information on the award at this juncture? We would like to reach out to the company that has the award just to see if they would be interested in pricing this project as sub trade.

A10. The contract for Paving Services on Granville Island was awarded to Inter Pave Precast Systems Ltd.

Q11. For bonding purposes are you able to provide a budget range for the works so we can account for bonding/insurance costs in our tender submittal?

A11. The project estimate is \$577,000.00. Please provide bid security in the amount of 10% of the tender price, as per Part 1, Section 5 on Page 6 of the tender documents.
