**REQUEST FOR QUOTATION AMENDMENT NO. 001****Request for Quotation Amendment no. 001 is raised for the following reasons:**

To respond to Bidders' questions.

**Question 1:**

Is it possible to know what brand or brands of notebook manufacturer these docks might conceivably be used with?

**Answer 1:**

These docking stations will be used with numerous computers. There is no specific brand that they will be used with.

**Question 2:**

Docks must connect to a laptop equipped with USB -C or USB3.X – does the customer want both a USC type C and a standard USB 3 dock?, as the note indicates OR and we have both so want to be clear on what they need

**Answer 2:**

Veterans Affairs have a mix of USB-C and USB 3.0 notebooks, the dock should be able to connect via USB-C or USB3.0 on the notebook.

**Question 3:**

Notebook charging must be supported via the USB-C - This is dictated by the laptop – Would the Department of Veterans Affairs laptops that would use this dock have a USB type C port that enables power delivery as our Type C docks will offer power but the device Type C port has to enable power delivery for this to work

**Answer 3:**

Yes, the USB-C notebooks would enable power charging.

**ALL OTHER TERMS AND CONDITIONS OF THE REQUEST FOR QUOTATION (RFQ) REMAIN UNCHANGED.**
