### **AMENDMENT 007**

The purpose of the amendment is to answer bidders' questions received in response to this RFP, and to **extend the bid closing date to March 07, 2018.**

#### **Questions and Answers:**

***Q13: For the pricing in B2.1.1, do we assume that the questionnaire in the first and second option years will be the same as in the initial contract period? If not, what percentage should we assume will change?***

**R13:** It should not be assumed that the questionnaire in the first and second option years will be the same as in the initial contract period. However, it is expected that approximately 70% of the questions will be repeated in all option years in order to retain some comparability over time.

***Q14: Is it correct to assume that the data and reporting deliverables will all be virtually identical/that very few changes will be required (e.g., number of departments participating, derived variables required, methodological report and narrative executive summaries)?***

**R14:** The data and reporting deliverables for the first and second option years will be very similar than in the initial contract period, except if Optional Services are requested by the Project Authority.

***Q15: For the pricing for the options #2 and #3 (B2.3.2 and B2.3.3), we are required to provide prices for the initial contract period (2018) as well as two option years. Should we assume that the additional questions and the departments asking those questions are different in each of the three years? Or should we assume that the questions/departments in the two option years are the same as in the initial contract period?***

**R15:** The Bidder should not assume that additional questions or the departments requesting these additional questions will be the same in each option year.

#### **Insertions and Deletions:**

At contract award, the following will be inserted into Annex "B2":

**In the event that the number of questions change substantively (exceeds 30%) then the charges will be based on the hourly rate submitted by the bidder for the work performed.**

**ALL OTHER TERMS AND CONDITIONS REMAIN UNCHANGED.**
