AMENDMENT 002 TO SOLICITATION NUMBER W6369-18-A006 IS RAISED TO:

1.0 Provide clarification and answers to questions from potential suppliers.

QUESTIONS AND ANSWERS:

Question 3	The RFP lists in Annex "A", page 26, 6.1.1 (x) and 2.1(j) found on pages 29, 30, and 31: "Five Different engaging activities that raises awareness for the involved participants". The five different activities are comprised of the items from (ii) to (ix) of Annex A and (b) to (i) of the chart. Can you please clarify as the wording "Five Different engaging activities that raises awareness for the involved participants" summarizes the other components listed and is not separate item?
Answer 3	Each Marijuana Simulation Kit must include five (5) different engaging activities, and those are a separate item. The items listed in (ii) to (ix) of Annex A and (b) to (i) of the chart may be used as a means of support to facilitate the engaging activity. For example, an engaging activity may use 2.1(e) of the chart, "Activity Balls," if the activity is to toss balls for the purpose of providing the participant with the experience of distorted processing of visual information and alteration of visual perception.

ALL OTHER TERMS AND CONDITIONS REMAIN THE SAME.
