**(B) QUESTIONS**

Question / Answer #	QUESTION	ANSWER
QA10	Annex E, the Inuit Benefits Plan, requires us to clearly detail our local Inuit content complete with details on the work to be carried out for each position to be filled by an Inuit person. This is challenging without having a design and an exact plan, as we don't know yet where certain scopes will be completed (in the factory or on-site). What are you expecting from us at this point to detail? Please advise.	In accordance with Appendix 2 – Evaluation Criteria, Mandatory Requirement 3, you are required to provide a draft Inuit Benefits Plan in response to the RFP. Please reference Change 6 in this solicitation amendment.

**ALL OTHER TERMS AND CONDITIONS REMAIN UNCHANGED.**
