This amendment 001 is issued to respond to questions regarding solicitation # HT434-172891/B as follows:

### **Questions**

Question 1. Referring to the Scope of Work and the table at Appendix 1, please provide the number of trips on average per month and frequency of trips per week for each location listed.

Answer 1. Due to data availability and privacy concerns, it is not possible to provide line level information on the estimates for trip frequencies for each catchment area.

It is estimated that the total frequency of trips for the entire catchment area is:

- Weekly estimate: 440 trips
- Monthly estimate: 1,820 trips
- Yearly estimate: 21,800 trips

It is estimated that 90% of the trips will be within the greater Edmonton Area (Edmonton, Sherwood Park, St. Albert, Fort Saskatchewan, Leduc - International Airport, Spruce Grove).

### **Modifications**

1. Refer to page 16, article 7.4.1 Period of Contract:

DELETE: The Work is to be performed during the period of 1 February 2018 to 31 January 2019 inclusive.

INSERT: The Work is to be performed during the period of 1 September 2018 to 31 August 2021 inclusive.

**ALL OTHER TERMS AND CONDITIONS REMAIN THE SAME**
