

The following changes to the tender documents are effective immediately and will form part of the contract documents:

---

1. Site Visit Attendees:

- Trotter & Morton
- Canem Systems
- PCL
- Humboldt Electric
- Alliance Energy
- Concept Electric
- Custom Electric
- Tron Construction
- Pentec Energy
- Flyer Electric

2. Site Visit Minutes:

- Welcoming remarks – intent of meeting is not to provide new information, please write down all questions and submit to contracting authority as per tender posting
- WSP provided a general scope overview of the project. They didn't provide any additional details above what is in the tender package
- Expect delays getting in and out of the institution; typical delays, RCMP arrival with new inmates, incidents can occur at any time. Safety and security of the institution is a priority.
- Waste disposal – bins need to be lockable.
- Vehicles must fit within the Sally Port.
- Confined space will be required – must have awareness and training.
- Will have commissionaire at all times – not part of construction cost.
- Site walk through – looked in electrical/mechanical rooms
