This solicitation amendment 002 is raised to address bidders questions.

Question #3:

What should we do if a manufacturer does not have a MSRP list?

Answer:

Offerors must submit with their offer the most recent common Manufacturer's Suggested Retail Price (MSRP) list in Canadian dollars only (as detailed in Part 4, Article 4.1.1.3).

Manufacturer's Suggested Retail Price (MSRP) is defined in Part 1, Article 1.5 Key Terms of the RFSO.

Additional information regarding the MSRP is also indicated in Part 3; Section I: Technical Offer under subheading "c".

Question #4:

Please clarify what is considered a kit in 5180? Is it possible for an item to fall into multiple categories? For Example a socket set or a drill kit.

Answer:

In order to determine the most appropriate Class that a set or kit falls under please reference the descriptions located in ANNEX "A" in the Request for Standing Offer.

Example:

Socket sets/kit falls under GSIN/Class 5120.

A kit or set which includes items from multiple classes is recommended to be categorized under GSIN/Class 5180 (example: Electrician's kit).

ALL OTHER TERMS AND CONDITIONS REMAIN THE SAME
