Amendment number 001 to Request for Proposal (RFP) E60HL-180007/A which closes April 18, 2018 at 2:00 p.m. EDST is raised to:

- 1) Modify Line Item 7 of Annex A as to requirement
- 2) Provide answers to questions submitted by Bidders

1. Modify Line item 7 of Annex A

Delete

"April Superflo" Synthetic Blend Engine Oil; 0W-30 D-SF

Replace with

"April Superflo" Full Synthetic Engine Oil; 0W-40-D-SF

2. Provide answers to questions submitted by Bidders.

Q1: Is it possible to use an alternate price marker instead of OBG to calculate the adjustment factor for Automotive Gasoline (Line item 2) and Diesel Fuel (Line item 1), as mentioned in clause 6.7.1.a. and 6.7.1.b.?

A1: Canada currently has no plans to use a different marker. OBG remains the only price marker used in regards to this Request for Proposal

Q2: Regarding delivery, do we have to deliver to the different ports mentioned in the Request for Proposal or shall we also manage delivery of the drums to Nunavut?

A2: Contractor must deliver the drums to the ports indicated in the RFP (Either "Montreal Area" Port or Port of Quebec City). Canada will manage the ultimate delivery to Nunavut.

All other terms and conditions of the Request for Proposal remain unchanged.
