

Federal Marine Procurement Outlook Session: 18 April 2018, 1:15pm Pacific Daylight Time

Public Services and Procurement Canada (PSPC), with the support of the Department of National Defence (DND), Department of Fisheries and Ocean (DFO) and Canadian Coast Guard (CCG), Transport Canada (TC), Royal Canadian Mounted Police (RCMP), as well as Innovation Science and Economic Development Canada (ISED) will be presenting a federal marine procurement outlook session on Wednesday afternoon April 18th, 2018 (1:15pm -5:30pm) at the Mari-Tech 2018 Conference held this year at the Victoria Conference Center located at 720 Douglas St, Victoria BC V8W 3M7. Building upon last year's resounding success, the session is free of charge, and will provide an overview of upcoming procurements, over the course of the next three years, in areas such as small vessel construction, vessel repair, refit and life extension, in-service support, sustainment, vessel chartering, disposal and other special projects in the realm of marine equipment.

This webinar will allow anyone who cannot attend the in-person event in Victoria to hear and view live presentations. Please note the time zone for this webinar - Pacific Daylight Time (PDT)

To participate in the Procurement Outlook webinar, please register at the following link:
