Questions and Answers – Series 5

Q1. Do you require us to quote in Canadian dollars?

A1. The bid price does not need to be in Canadian dollars, however as per Part 4, Section 4.1.2 of the Request for Proposal, the price of the bid will be evaluated in Canadian dollars. If bids are not submitted in Canadian dollars, the Bank of Canada exchange rate on the bid closing date will be used to convert to Canadian dollars.

Q2. Are there any guidelines on currency fluctuations for the period of the contract?

A2. Part 3, Section 3.1.1 of the Request for Proposal includes Clause C3011T (2013-11-06) – Exchange Rate Fluctuation, which states "The requirement does not offer exchange rate fluctuation risk mitigation. Requests for exchange rate fluctuation risk mitigation will not be considered. All bids including such provision will render the bid non-responsive".
