<b>Signature</b>	<b>Date</b>

## AMENDMENT #2

### **A. Industry Engagement Activity section is deleted in its entirety and replaced with the following:**

#### **Industry Engagement Activity**

As part of this RFI process Canada would like to offer a presentation on the expected role of drug screening equipment in the criminal impaired driving framework and provide potential suppliers the opportunity to explain and express their comment(s) on the attached document. Should the interest arise from Industry, Canada will be hosting One-on-One meetings to be arranged with each interested manufacturer who has submitted information for consideration by the Drugs and Driving Committee (DDC) of the Canadian Society of Forensic Science under section 3 of the Oral Fluid Standards and Evaluation Procedures posted on their website at <https://www.csfs.ca/wp-content/uploads/2017/11/Approval-Standards-for-Drug-Screening-Equipment.pdf>.

One-on-One meetings will take place during the week of April 16, 2018, in-person or by teleconference.

Manufacturers interested in attending One-on-One meetings should do so by informing the Contracting Authority by **April 16, 2018, 2:00PM (EST)**.

Respondents will not be reimbursed for any cost incurred by participating in this Industry Engagement Activity and RFI.

### **B. ALL OTHER TERMS AND CONDITIONS REMAIN THE SAME.**
