REQUEST FOR PROPOSAL AMENDMENT NO. 003

Request for Proposal Amendment no. 003 is raised for the following reasons: Questions and Answers.

Question 1:

Section 7.23 - Training states: "At the request of the client, the Contractor must provide on-site adequate user and/or Key Operator training, to allow the client's employees to efficiently and effectively operate the equipment, at no extra cost." For the A1 devices, would RCMP consider remote training delivered through a certified trainer, building a schedule through each detachment to address this requirement? This would be done on-line in real time and supported by supplying user training 'how to' videos. (This would make the training component consistent to the 7.25 strategy for servicing these remote A1 devices.)

Answer 1:

For remote A1 locations, the RCMP will accept remote training through a certified trainer, however, in addition to on-line options such as how-to videos, as needed, this must also be conducted via telephone conversations. In tandem with this, other training and problem solving options will be considered.

ALL OTHER TERMS AND CONDITIONS OF THE REQUEST FOR PROPOSAL (RFP) REMAIN UNCHANGED.
