This amendment 001 is raised to make the following changes in the request for proposal (RFP) and answer questions from potential bidders.

Question 1: Would you happen to have a picture of the style you're looking for? Will you be needing any embroidery?

DND Response (Q1) : Refer to Annex B and Figures 1, 2, 3, and 4.

Question 2: Annex B page 4 para 3.2.1 states shell material must be Type V conforming to DSSPM 2-2-80-023. Type V in this spec is CADPAT AR and Type I is CADPAT TW. The next sentence states colours and pattern must be CADPAT TW to DSSPM 2-2-80-500. Should the shell material be Type I to DSSPM 2-2-80-023?

DND Response (Q2): The shell material must be Type I conforming to Annex C (DSSPM 2-2-80-023).

DND revises Annex B paragraph 3.2.1 (Shell Material) in the following way:

In Annex B, **DELETE** paragraph 3.2.1 in its' entirety and **REPLACE** with:

3.2.1 **Shell Material.** The shell material must be Cloth, Twist, Nylon/Cotton, Lightweight, 170 g/m² conforming to Type I (CADPAT™ TW) of Annex C (DSSPM 2-2-80-023).

Question 3: Annex B page 8 para 3.6 does not specify label colour. What colour is the label to be?

DND Response (Q3): The colour of the label must be Canadian Average Green in accordance with Sealed Pattern DSSPM 281-01.

DND revises Annex B, paragraph 3.6 (Marking and Label Information) in the following way:

In Annex B, paragraph 3.6, **DELETE** the first sentence ("The following information...on the label.) and **REPLACE** with:

The following marking and care symbols must be printed legibly and indelibly with black printing on a coloured label (Canadian Average Green in accordance with Sealed Pattern DSSPM 281-01) and in accordance with specification D-80-001-055/SF-001, Type I. The fabric must be nylon, acetate or polyester.

Question 4: Annex K para 2.2.3.1 states samples must not bear any marking that identify the bidder. Annex B para 3.6 specifies the contractor's ID to be on the label. Is the contractor's ID (e.g. NCAGE) to be included on the label for the PAS?

DND Response (Q4): Contractor's identification or NCAGE code must not be included on the label. Typically, pre-award samples have a piece of fabric sewn where the label would normally be located. A cover letter included with the pre-award sample would state that, if awarded the contract, the label would be fully compliant to the Annex B.

ALL OTHER TERMS AND CONDITIONS REMAIN UNCHANGED.
