DELIVERABLES / SCOPE OF WORK

The work consists of the furnishing of all plant, labour, equipment and material for Trailer improvements in Nain, NL, in strict accordance with specifications and accompanying drawings and subject to all terms and conditions of the Contract.

Carry out mechanical/plumbing work in accordance with the latest edition of the Plumbing codes of Canada. Specifications related to the mechanical requirements associated with this project are included on the drawings.

In general, work under this contract consists of refurbishment of the existing trailer, as outlined on the drawings.

FAMILIARIZATION WITH SITE

Before submitting a bid, bidders can visit the site and its surroundings to review and verify the form, nature and extent of the work, materials needed for the completion of the work, the means of access to the site, any accommodations they may require, and in general shall obtain all necessary information as to risks, contingencies and other circumstances which may influence or affect their bid or costs to do the work. No allowance shall be made subsequently in this connection on account of error or negligence to properly observe and determine the conditions that will apply. Contractors, bidders, or those they invite to site are to contact the Contracting officer. Contractors, bidders or those they invite to site are to review specification Section 01 35 29.06 - Health and Safety Requirements before visiting site. Take all appropriate safety measures for any visit to site, either before or after acceptance of bid.

EXPECTED START AND COMPLETION DATES

The services of the Contractor will be commencing upon contract award. The expected completion date of this project is **August 31, 2018**.

MANDATORY REQUIREMENTS:

- The minimum acceptable amount of Public Liability and Property Damage Insurance is **\$2,000,000.00** per occurrence. All tenders **must** be accompanied by confirmation from the tenderer's insurance company that the required insurance will be available upon contract award;
- The tenderer must provide tender security, at the tenderer's own cost, in accordance with the document entitled "Tender Security Requirements" as Bid Security is required for bids over \$100,000. Under these circumstances, the Tender and **original signed Bid Bond** must be delivered to the Closing Location prior to the closing date.

Note: All tender securities (Bid Bond) will be returned except that of the successful tenderer (Bidder), which will be retained until the successful tenderer (Contractor) has completed the said contract.
