SOLICITATION AMENDMENT # 004

The purpose of this amendment is to:

- 1) Respond to bidder questions
-

1. Response to bidder questions (Q&A)

QUESTION 5: In annex B1 most of packages numbered 1 through 42 include a specified number of airtime minutes. Pricing for the minutes can be provided in either of two ways:

(1) The Bid Price for each package can simply include the total price for the number of airtime minutes specified for the package ;
or

(2) The specified number of minutes can be provided as a shared pool of minutes for each package. In this case the airtime charge portion of the Bid Price for each package would be the number of minutes specified divided by the weighting factor.

ANSWER 5: **The bidders should provide their bid prices based on what is currently advertised under Annex B1. We are not interested in the shared pool of minutes option.**
