2.2 Submission of Offers

Offers must be submitted only to RCMP Bid Receiving Unit by the date, time and place indicated on page 1 of the Request for Standing Offers.

Transmission of offers by facsimile to RCMP will be accepted. Transmission by e-mail will not be accepted.

If no change is made, it acknowledges that the applicable laws specified are acceptable to the offerors.

2.5 Promotion of Direct Deposit Initiative

The following information is not related to the solicitation process:

An initiative within the Government of Canada called the Cheque Standardization Project has been established whereby eventually for all payments, cheque stubs will no longer be printed and, with few exceptions, will be processed via direct deposit. This option is only available when payment is made in Canadian dollars for deposit into a Canadian bank account. In an attempt to be proactive, RCMP Corporate Accounting is promoting the registration of RCMP suppliers for the upcoming change in the payment process.

If you are the successful bidder on this or any other RCMP requirement, you are encouraged to register with the RCMP for direct deposit. Please contact RCMP Corporate Accounting by email to receive a form entitled *Recipient Electronic Payment Registration Request* along with instructions for completion of the form.

Should you have any questions regarding the Cheque Standardization Project or if you want to register, please contact the following email: <u>corporate_accounting@rcmp-grc.gc.ca</u>
