## PART 2 - OFFEROR INSTRUCTIONS

### 2.1 Standard Instructions, Clauses and Conditions

All instructions, clauses and conditions identified in the Request for Standing Offers (RFSO) by number, date and title are set out in the [Standard Acquisition Clauses and Conditions Manual](https://buyandsell.gc.ca/policy-and-guidelines/standard-acquisition-clauses-and-conditions-manual) (<https://buyandsell.gc.ca/policy-and-guidelines/standard-acquisition-clauses-and-conditions-manual>) issued by Public Works and Government Services Canada.

Offerors who submit an offer agree to be bound by the instructions, clauses and conditions of the RFSO and accept the clauses and conditions of the Standing Offer and resulting contract(s).

The [2006](#) (2017-04-27) Standard Instructions - Request for Standing Offers - Goods or Services - Competitive Requirements, are incorporated by reference into and form part of the RFSO.

The 2006 standard instructions is amended as follows:

- Section 05, entitled Submission of offers, is amended as follows:
  - subsection 1 is deleted entirely and replaced with the following: "Canada requires that each offer, at RFSO closing date and time or upon request from the Standing Offer Authority, for example in the case of epost Connect service, be signed by the Offeror or by an authorized representative of the Offeror. If an offer is submitted by a joint venture, it must be in accordance with the section entitled Joint venture."
  - subsection 2.d is deleted entirely and replaced with the following: "send its offer only to the specified Bid Receiving Unit of Public Works and Government Service Canada (PWGSC) in the RFSO or to the specified address in the RFSO."
  - subsection 2.e is deleted entirely and replaced with the following: "ensure that the Offeror's name, return address and procurement business number, RFSO number, and RFSO closing date and time are clearly visible on the offer; and"
- Section 06, entitled Late offers, is deleted entirely and replaced with the following: "PWGSC will return offers delivered after the stipulated RFSO closing date and time, unless they qualify as a delayed offer as described in the section entitled Delayed offers. For offers submitted using means other than Canada Post Corporation's epost Connect service, the physical offer will be returned. For offers submitted using Canada Post Corporation's epost Connect service, conversations initiated by the Bid Receiving Unit via the epost Connect service that contain access, records and information pertaining to a late offer will be deleted."
- Section 07, entitled Delayed offers, is amended as follows:
  - Subsection 1 is amended to add the following piece of evidence: "d. a CPC epost Connect service date and time record indicated in the epost Connect conversation activity;"
- Section 08, entitled Transmission by facsimile, is deleted entirely and replaced with the following section:

"Transmission by facsimile or by epost Connect

  1. Facsimile
    - a. Unless specified otherwise in the RFSO, offers may be submitted by facsimile. The only acceptable facsimile number for responses to RFSOs issued by PWGSC headquarters is 819-997-9776 or, if applicable, the facsimile number identified in the RFSO. The facsimile number for responses to RFSOs issued by PWGSC regional offices is identified in the RFSOs.
    - b. For offers transmitted by facsimile, Canada will not be responsible for any failure attributable to the transmission or receipt of the faxed offer including, but not limited to, the following:
      - i. receipt of garbled or incomplete offer;

- 
- ii. availability or condition of the receiving facsimile equipment;
    - iii. incompatibility between the sending and receiving equipment;
    - iv. delay in transmission or receipt of the offer;
    - v. failure of the Offeror to properly identify the offer;
    - vi. illegibility of an offer; or
    - vii. security of offer data.
  - c. An Offer transmitted by facsimile constitutes the formal offer of the Offeror and must be submitted in accordance with the section entitled Submission of offers.
2. ePost Connect
- a. Unless specified otherwise in the RFSO, offers may be submitted by using the [epost Connect service provided by Canada Post Corporation](https://www.canadapost.ca/web/en/products/details.page?article=epost_connect_send_a) ([https://www.canadapost.ca/web/en/products/details.page?article=epost\\_connect\\_send\\_a](https://www.canadapost.ca/web/en/products/details.page?article=epost_connect_send_a)).
  - b. To submit an offer using epost Connect service, the Offeror must either:
    - i. send directly its offer only to the specified PWGSC Bid Receiving Unit, using its own licensing agreement for epost Connect provided by Canada Post Corporation; or
    - ii. send as early as possible, and in any case, at least six business days prior to the RFSO closing date and time, an email that includes the RFSO number to the specified PWGSC Bid Receiving Unit requesting to open an epost Connect conversation. Requests to open an epost Connect conversation received after that time may not be answered.
  - c. If the Offeror is sending an email to the Bid Receiving Unit, the Bid Receiving Unit will then initiate an epost Connect conversation which will allow the Offeror to transmit its offer afterward at any time prior to the RFSO closing date and time. The epost Connect conversation will create an email notification from Canada Post Corporation prompting the Offeror to access the message within the conversation, and the Offeror can reply to the email notification by transmitting its offer.
  - d. If the Offeror is using its own licensing agreement to send its offer, the Offeror must keep the epost Connect conversation open until at least 30 business days after RFSO closing date and time.
  - e. The email address of PWGSC Bid Receiving Unit in Western Region is: [ROReceptionSoumissions.WRBidReceiving@tpsgc-pwgsc.gc.ca](mailto:ROReceptionSoumissions.WRBidReceiving@tpsgc-pwgsc.gc.ca). The RFSO number must be identified in the epost Connect message field of all electronic transfers.
  - f. It should be noted that the use of epost Connect service requires a Canadian mailing address. Should an offeror not have a Canadian address, they may use the Bid Receiving Unit address specified on page 1 of the RFSO in order to register for the epost Connect service.
  - g. For offers transmitted by epost Connect service, Canada will not be responsible for any failure attributable to the transmission or receipt of the offer including, but not limited to, the following:
    - i. receipt of a garbled or incomplete offer;
    - ii. availability or condition of the epost Connect service;
    - iii. incompatibility between the sending and receiving equipment;
    - iv. delay in transmission or receipt of the offer;
    - v. failure of the Offeror to properly identify the offer;
    - vi. illegibility of the offer;
    - vii. security of offer data; or
    - viii. inability to create an electronic conversation through the epost Connect service.
  - h. An offer transmitted by epost Connect service constitutes the formal offer of the Offeror and must be submitted in accordance with the section entitled Submission of offers."

## **2.2 Submission of Offers**

Offers must be submitted only to Public Works and Government Services Canada (PWGSC) Bid Receiving Unit by the date, time and place indicated on page 1 of the Request for Standing Offers.

**Due to the nature of the Request for Standing Offers, transmission of offers by facsimile to PWGSC will not be accepted.**

## **2.3 Enquiries - Request for Standing Offers**

All enquiries must be submitted in writing to the Standing Offer Authority no later than ten (10) calendar days before the Request for Standing Offers (RFSO) closing date. Enquiries received after that time may not be answered.

Offerors should reference as accurately as possible the numbered item of the RFSO to which the enquiry relates. Care should be taken by offerors to explain each question in sufficient detail in order to enable Canada to provide an accurate answer. Technical enquiries that are of a proprietary nature must be clearly marked "proprietary" at each relevant item. Items identified as "proprietary" will be treated as such except where Canada determines that the enquiry is not of a proprietary nature. Canada may edit the question(s) or may request that offerors do so, so that the proprietary nature of the question(s) is eliminated, and the enquiry can be answered to all offerors. Enquiries not submitted in a form that can be distributed to all offerors may not be answered by Canada.

## **2.4 Applicable Laws**

The Standing Offer and any contract resulting from the Standing Offer must be interpreted and governed, and the relations between the parties determined, by the laws in force in Alberta.

Offerors may, at their discretion, substitute the applicable laws of a Canadian province or territory of their choice without affecting the validity of their offer, by deleting the name of the Canadian province or territory specified and inserting the name of the Canadian province or territory of their choice. If no change is made, it acknowledges that the applicable laws specified are acceptable to the offerors.

# **PART 3 - OFFER PREPARATION INSTRUCTIONS**

## **3.1 Offer Preparation Instructions**

- If the Offeror chooses to submit its offer electronically, Canada requests that the Offeror submits its offer in accordance with section 8 of the 2006 standard instructions and as amended in Part 2 - Offeror Instructions, Article 2.1 Standard Instructions, Clauses and Conditions. Offerors are required to provide their offer in a single transmission. The epost Connect service has the capacity to receive multiple documents, up to 1GB per individual attachment. The offer must be gathered per section and separated as follows:

Section I: Technical Offer  
Section II: Financial Offer  
Section III: Certifications

- If the Offeror chooses to submit its offer in hard copies, Canada requests that the Offeror provides its offer in separately bound sections as follows:

Section I: Technical Offer (one hard copy)  
Section II: Financial Offer (one hard copy)  
Section III: Certifications (one hard copy)

**Due to the nature of the Request for Standing Offers, transmission of offers by facsimile to PWGSC will not be accepted.**

Canada requests that offerors follow the format instructions described below in the preparation of hard copy of their offer:

- (a) use 8.5 x 11 inch (216 mm x 279 mm) paper;
- (b) use a numbering system that corresponds to the RFSO.

In April 2006, Canada issued a policy directing federal departments and agencies to take the necessary steps to incorporate environmental considerations into the procurement process [Policy on Green Procurement](http://www.tpsgc-pwgsc.gc.ca/ecologisation-greening/achats-procurement/politique-policy-eng.html) (<http://www.tpsgc-pwgsc.gc.ca/ecologisation-greening/achats-procurement/politique-policy-eng.html>). To assist Canada in reaching its objectives, Offerors should:

- 1) use 8.5 x 11 inch (216 mm x 279 mm) paper containing fibre certified as originating from a sustainably-managed forest and containing minimum 30% recycled content; and
- 2) use an environmentally-preferable format including black and white printing instead of colour printing, printing double sided/duplex, using staples or clips instead of cerlox, duotangs or binders.

**Section I: Technical Offer**

In their technical offer, offerors should explain and demonstrate how they propose to meet the requirements and how they will carry out the Work.

**Section II: Financial Offer**

Offerors must submit their financial offer in accordance with the "Annex B, Basis of Payment".

**3.1.1 Exchange Rate Fluctuation**

### PART 5 – CERTIFICATIONS AND ADDITIONAL INFORMATION

Offerors must provide the required certifications and additional information to be issued a standing offer.

The certifications provided by offerors to Canada are subject to verification by Canada at all times. Unless specified otherwise, Canada will declare an offer non-responsive, will have the right to set-aside a standing offer, or will declare a contractor in default if any certification made by the Offeror is found to be untrue whether made knowingly or unknowingly during the offer evaluation period, during the Standing Offer period, or during the contract period.

The Standing Offer Authority will have the right to ask for additional information to verify the Offeror's certifications. ##### 5.1.1 Integrity Provisions - Declaration of Convicted Offences

In accordance with the Integrity Provisions of the Standard Instructions, all offerors must provide with their offer, **if applicable**, the declaration form available on the [Forms for the Integrity Regime](http://www.tpsgc-pwgsc.gc.ca/ci-if/declaration-eng.html) website (<http://www.tpsgc-pwgsc.gc.ca/ci-if/declaration-eng.html>), to be given further consideration in the procurement process.

#### 5.2 Certifications Precedent to the Issuance of a Standing Offer and Additional Information

The certifications and additional information listed below should be submitted with the offer, but may be submitted afterwards. If any of these required certifications or additional information is not completed and submitted as requested, the Standing Offer Authority will inform the Offeror of a time frame within which to provide the information. Failure to provide the certifications or the additional information listed below within the time frame provided will render the offer non-responsive.

##### 5.2.1 Integrity Provisions – Required Documentation

In accordance with the section titled Information to be provided when bidding, contracting or entering into a real procurement agreement of the [Ineligibility and Suspension Policy](http://www.tpsgc-pwgsc.gc.ca/ci-) (<http://www.tpsgc-pwgsc.gc.ca/ci->

Canada will have the right to declare an offer non-responsive, or to set-aside a Standing Offer, if the Offeror, or any member of the Offeror if the Offeror is a Joint Venture, appears on the "FCP Limited Eligibility to Bid" list at the time of issuing of a Standing Offer or during the period of the Standing Offer.
