The Annexes include the Requirement, the Basis of Payment, the delivery addresses, Electronic Payment Instruments and any other annexes.

1.2 Summary

1.2.1 Requirement

Public Works and Government Services Canada (PWGSC) wishes to establish a Regional Master Standing Offer (RMSO) for the provision and delivery of **meat, poultry, delicatessen, fish and seafood** on an as and when needed basis to all federal departments and ministries located in the Province of Quebec.

The proposed term of the RMSO is for one (1) year divided into four (4) periods of three (3) months.

PWGSC reserves the right to issue up to three (3) RMSO per term and per region should this be more advantageous for Canada.

1.2.2 Applicable Trade Agreements

The requirement is subject to the provisions of the World Trade Organization Agreement on Government Procurement (WTO-AGP), the North American Free Trade Agreement (NAFTA), the Canada-European Union Comprehensive Economic and Trade Agreement (CETA), and the Canadian Free Trade Agreement (CFTA).

1.3 Debriefings

Offerors may request a debriefing on the results of the request for standing offers process. Offerors should make the request to the Standing Offer Authority within **15 working days** of receipt of the results of the request for standing offers process. The debriefing may be in writing, by telephone or in person.

PART 2 - OFFEROR INSTRUCTIONS

2.1 Standard Instructions, Clauses and Conditions

All instructions, clauses and conditions identified in the Request for Standing Offers (RFSO) by number, date and title are set out in the [Standard Acquisition Clauses and Conditions Manual](https://buyandsell.gc.ca/policy-and-guidelines/standard-acquisition-clauses-and-conditions-manual) (<https://buyandsell.gc.ca/policy-and-guidelines/standard-acquisition-clauses-and-conditions-manual>) issued by Public Works and Government Services Canada.

Offerors who submit an offer agree to be bound by the instructions, clauses and conditions of the RFSO and accept the clauses and conditions of the Standing Offer and resulting contract(s).

The [2006](#) (2017-04-27) Standard Instructions - Request for Standing Offers - Goods or Services - Competitive Requirements, are incorporated by reference into and form part of the RFSO.

2.2 Submission of Offers

Offers must be submitted only to Public Works and Government Services Canada (PWGSC) Bid Receiving Unit by the closing date.

Due to the nature of the RFSO, offers transmitted by facsimile will not be accepted.

By mail or in person:

PWGSC Bid Receiving Unit:

PWGSC BID RECEIVING UNIT
Bonaventure Place, South West portal
800 de la Gauchetière, Suite 7300
Montreal, QC H5A 1L6

2.3 Enquiries - Request for Standing Offers

All enquiries must be submitted in writing to the Standing Offer Authority no later than **seven (7)** calendar days before the Request for Standing Offers (RFSO) closing date. Enquiries received after that time may not be answered.

Offerors should reference as accurately as possible the numbered item of the RFSO to which the enquiry relates. Care should be taken by offerors to explain each question in sufficient detail in order to enable Canada to provide an accurate answer. Technical enquiries that are of a proprietary nature must be clearly marked "proprietary" at each relevant item. Items identified as "proprietary" will be treated as such except where Canada determines that the enquiry is not of a proprietary nature. Canada may edit the question(s) or may request that offerors do so, so that the proprietary nature of the question(s) is eliminated, and the enquiry can be answered to all offerors. Enquiries not submitted in a form that can be distributed to all offerors may not be answered by Canada.

2.4 Applicable Laws

The Standing Offer and any contract resulting from the Standing Offer must be interpreted and governed, and the relations between the parties determined, by the laws in force in the Province of Quebec.

Offerors may, at their discretion, substitute the applicable laws of a Canadian province or territory of their choice without affecting the validity of their offer, by deleting the name of the Canadian province or territory specified and inserting the name of the Canadian province or territory of their choice. If no change is made, it acknowledges that the applicable laws specified are acceptable to the offerors.

PART 3 - OFFER PREPARATION INSTRUCTIONS

3.1 Offer Preparation Instructions

Canada requests that offerors provide their offer in separately bound sections as follows:

Section I: Financial Offer – Annex B (1 hard copy and 1 copy by e-mail to:
QueAlimentationEquipeMtl.QueFoodTeamMtl@tpsgc-pwgsc.gc.ca

Section II: Certifications (1 hard copy)

Due to the nature of the RFSO, offers transmitted by facsimile will not be accepted.

If there is a discrepancy between the wording of the soft copy and the hard copy, the wording of the hard copy will have priority over the wording of the soft copy.

Canada requests that offerors follow the format instructions described below in the preparation of hard copy of their offer:

- (a) use 8.5 x 11 inch (216 mm x 279 mm) paper;
- (b) use a numbering system that corresponds to the RFSO.

In April 2006, Canada issued a policy directing federal departments and agencies to take the necessary steps to incorporate environmental considerations into the procurement process [Policy on Green Procurement](http://www.tpsgc-pwgsc.gc.ca/ecologisation-greening/achats-procurement/politique-policy-eng.html) (<http://www.tpsgc-pwgsc.gc.ca/ecologisation-greening/achats-procurement/politique-policy-eng.html>). To assist Canada in reaching its objectives, Offerors should:

- 1) use 8.5 x 11 inch (216 mm x 279 mm) paper containing fibre certified as originating from a sustainably-managed forest and containing minimum 30% recycled content; and
- 2) use an environmentally-preferable format including black and white printing instead of colour printing, printing double sided/duplex, using staples or clips instead of cerlox, duotangs or binders.

Section I: Financial Offer

Offerors must submit their financial offer in accordance with **Annex B**.

Annex B, in Excel format, comprises the following worksheets:

- (a) **Schedule of Tender Closing Dates** - This page specifies the closing dates for each period related to the Request for Standing Offers.
- (b) **Page 0X–Période 0X** – This provides the cover page to be used for the submission of your offer for the appropriate period. This page must be completed, signed and dated by the bidder and must be submitted with your bid.
- (c) **ListeMinistère P0X** – This page contains the List of Products for each period and must be completed by the bidder. This List of Products is used by PWGSC for financial evaluation purposes. The bidder must ensure that it is completed, compliant and contains all the information requested.

3.1.1 Electronic Payment of Invoices - Offer

If you are willing to accept payment of invoices by Electronic Payment Instruments, complete Annex “D” Electronic Payment Instruments, to identify which ones are accepted.

If Annex “D” Electronic Payment Instruments is not completed, it will be considered as if Electronic Payment Instruments are not being accepted for payment of invoices.

Acceptance of Electronic Payment Instruments will not be considered as an evaluation criterion.

3.1.2 Exchange Rate Fluctuation

[C3011T](#) (2013-11-06), Exchange Rate Fluctuation,

Section II: Certifications

Offerors must submit the certifications and additional information required under Part 5.

PART 4 - EVALUATION PROCEDURES AND BASIS OF SELECTION

4.1 Evaluation Procedures

- (a) Offers will be assessed in accordance with the entire requirement of the Request for Standing Offers including the financial evaluation criteria.
- (b) An evaluation team composed of representatives of Canada will evaluate the offers.

4.2 Financial Evaluation

4.2.1 The evaluation of the tenders will be based on the **unit price** of each item detailed in Annex B - Basis of Payment - List of Products.

4.2.2 The evaluation of bids will first be done on the respect of mandatory brands and formats. All items that do not respect the mandatory brand and/or format requirements will be rejected from the offer.

4.2.3 Then the offers are evaluated on the format offered versus the format requested. Any items that do not offer the same format as that requested, are standardized to determine its real unit price as follows:

Example of rule of 3:

Format requested: 4 L

Format offered: 3.8 L at \$5.25

Standardized price: $(\$5.25 \times 4L) / 3.8L = \$5.53/L$

4.2.4 Product Compliance

The products offered must correspond to the description indicated in Annex "B" List of Products. When a brand is indicated as "MANDATORY", no substitute will be accepted.

If a product no longer exists or if its format has been modified, a notification from the manufacturer will have to be sent with the Offer.

4.2.5 Estimated Usage

Information related to Estimated Usage is provided solely as an evaluation tool; they represent only the most accurate estimate possible and do not reflect the actual intended use or any commitment by the Crown. The quantities given herein refer to the intended use for the period of the standing offer and are only a good faith estimate of the need to be filled. The standing offer will be limited to actual items ordered.

4.2.6 Non-applicable items

Offerors are requested to indicate "NA" in Annex B – Basis of Payment, List of Products, for each item that is not to be included in the offer. If the Offeror leaves a blank price and/or format field, Canada will treat the price as "NA" for evaluation purposes.

4.2.7 Price Evaluation

M0222T (2016-01-28), Evaluation of Price - Canadian/Foreign Offerors

Any offer submitted in foreign currency will be assessed in Canadian currency. The rate given by the Bank of Canada in effect on the bid solicitation closing date will be applied as a conversion factor.

4.3 Basis of Selection – Multiple Items

An offer must comply with the requirements of the Request for Standing Offers to be declared responsive. The responsive offer with the **lowest evaluated price on "an item basis"** will be recommended for issuance of a standing offer.

PWGSC reserves the right issue up to three (3) RMSO per period and per region if such proves more advantageous for Canada.

PART 5 – CERTIFICATIONS AND ADDITIONAL INFORMATION

Offerors must provide the required certifications and additional information to be issued a standing offer.

The certifications provided by offerors to Canada are subject to verification by Canada at all times. Unless specified otherwise, Canada will declare an offer non-responsive, will have the right to set-aside a standing offer, or will declare a contractor in default if any certification made by the Offeror is found to be untrue whether made knowingly or unknowingly during the offer evaluation period, during the Standing Offer period, or during the contract period.

The Standing Offer Authority will have the right to ask for additional information to verify the Offeror's certifications. Failure to comply and to cooperate with any request or requirement imposed by the Standing Offer Authority will render the offer non-responsive, result in the setting aside of the Standing Offer or constitute a default under the Contract.

5.1 Certifications Required with the Offer

Offerors must submit the following duly completed certifications as part of their offer.

5.1.1 Integrity Provisions - Declaration of Convicted Offences (See Annex E)

In accordance with the Integrity Provisions of the Standard Instructions, all offerors must provide with their offer, **if applicable**, the declaration form available on the [Forms for the Integrity Regime](http://www.tpsgc-pwgsc.gc.ca/ci-if/declaration-eng.html) website (<http://www.tpsgc-pwgsc.gc.ca/ci-if/declaration-eng.html>), to be given further consideration in the procurement process.

5.2 Certifications Precedent to the Issuance of a Standing Offer and Additional Information

The certifications and additional information listed below should be submitted with the offer, but may be submitted afterwards. If any of these required certifications or additional information is not completed and submitted as requested, the Standing Offer Authority will inform the Offeror of a time frame within which to provide the information. Failure to provide the certifications or the additional information listed below within the time frame provided will render the offer non-responsive.

5.2.1 Integrity Provisions – Required Documentation (if applicable)

In accordance with the section titled Information to be provided when bidding, contracting or entering into a real procurement agreement of the [Ineligibility and Suspension Policy](http://www.tpsgc-pwgsc.gc.ca/ci-if/politique-policy-eng.html) (<http://www.tpsgc-pwgsc.gc.ca/ci-if/politique-policy-eng.html>), the Offeror must provide the required documentation, as applicable, to be given further consideration in the procurement process.

5.2.2 Federal Contractors Program for Employment Equity - Standing Offer Certification

By submitting an offer, the Offeror certifies that the Offeror, and any of the Offeror's members if the Offeror is a Joint Venture, is not named on the Federal Contractors Program (FCP) for employment equity "FCP Limited Eligibility to Bid" list) available at the bottom of the page of the [Employment and Social Development Canada-Labour's](https://www.canada.ca/en/employment-social-development/canada-labour's) website (<https://www.canada.ca/en/employment-social-development/programs/employment-equity/federal-contractor-program.html#s4>).

Canada will have the right to declare an offer non-responsive, or to set-aside a Standing Offer, if the Offeror, or any member of the Offeror if the Offeror is a Joint Venture, appears on the "FCP Limited Eligibility to Bid" list at the time of issuing of a Standing Offer or during the period of the Standing Offer.
