1.2	This Addendum is issued prior to bid closing to incorporate revisions noted herein. Include in the Bid price all such revisions which will become part of the Work. Perform all such Work in accordance with the Contract Documents.
1.3	All affected drawings, schedules and panel changes shall be reflected in final as-built and manual submissions.

2. ANSWERS TO BIDDERS' QUESTIONS

2.1	<p>Question: Drawing E4.2 shows pack-pole connections with the office furniture, is it the responsibility of the electrical contractor to pull wire through the desk & wire receptacles? Or just to connect the pack-pole to the furniture? (Drawing E3.2 - Note 5. States "Contractor to Re-connect furniture electrical connection once furniture has been re-assembled in new space" does that note also apply to E4.2)</p> <p>Answer: The electrical contractor shall, in coordination with installation of the furniture, complete all final connections for power and network cabling to the furniture. The power connection will be a whip provided by the furniture supplier which shall be connected to a junction box within the ceiling space as shown on the plans. Voice/Data connections to be run down service pole into furniture. Contractor to provide and install 3 port data plate on furniture kickplate for connection of data/network drops as indicated on drawing.</p>
