AMENDMENT 006

This amendment is raised to answer questions from potential bidders.

QUESTION 6:

For the shirts page 4 of 17, 3.4.2.8

Front closure is referencing Scale of Measurements for Slide Fastener length.

Table 1, Scale of Measurements for the shirts, does not have any reference to Slide Fastener or Zipper length on the table (unlike the table for the trousers).

Can we get clarification of the zipper lengths required for the various sizes?

ANSWER:

Please find attached the revised scale of measurements which replaces page 13 of 17, in Annex B. The scale is updated to show finished slide fastener lengths for the Tactical Helicopter Shirt.

If bidders have already sewn their sample and have not considered this, please include a deviation note acknowledging receipt of this amendment and that the change will be made for pre-production and production, in all sizes.

All other terms and conditions remain unchanged.
