Remote Minehunting and Disposal System (RMDS) Industry Engagement Meetings

This RFI amendment 2 is to invite Industry to meet with the RMDS project team to discuss in a one-on-one setting, the recent feedback received from respondents under RFI amendment 1.

Meetings will be held in the National Capital Region of Canada (Ottawa Ontario – Gatineau Quebec area) and will commence on May 21st 2018 and will conclude June 22nd 2018. Companies interested in this engagement must contact the RMDS Contracting Authority to mutually agree on a specific meeting date and time during this period. Arrangements can be made to conduct the meeting by conference call.

This engagement activity is not mandatory and non-participants will not be excluded from bidding on a future formal Request for Proposal. Any exchange of information including Questions and Answers deemed to be of significant value to Industry may be provided to non-participants through an amendment to this Request for Information (RFI) process.

Prior to the meeting being confirmed with the Contracting Authority, participants will be required to sign an Industry Engagement Agreement. This agreement will be provided after contacting the Contracting Authority to schedule a meeting.
