

Question # 1

When is the anticipated start date for the required services?

Response to Question # 1

The anticipated start date for the required services is mid-June, 2018

Question # 2

Concerning the estimated level of effort given as 400 hours, is that based on a 7.25 or 8 hour day?

Response to Question # 2

The estimate is based on a 7.5 hour day. Actual days may vary depending on work load. Invoicing will be based on actual hours.

Question # 3

For the Consultant, do they need to have level 3 security Clearance?

Response to Question # 3

Part 6 of the RFP – Security Requirements under Section F provides the level of security clearance supplier personnel must have prior to commencement of any work.

Question # 4

For the Company, are we required to have level 1 or 2 or 3 security clearance?

Response to question # 4

The security requirement is provided under Section 6.1 of the RFP.
