1. Questions and Answers

Question 1

My partner and I are OTTIAQ certified translators and we would like to enter into a Supply Arrangement (SA). We have consulted the documents for download, but we are not sure that we have all the forms to fill out and understand how to start the process.

We already have individual business numbers and asked for a joint venture number.

Would it be possible to tell us where we could find all the documents and the way forward?

Answer 1

The mandatory technical evaluation criteria are detailed in Attachments 1 to 3 to Part 4. You must meet the mandatory technical evaluation criteria using one of the attachments in Part 3. You will need to select attachments to be completed according to the Tier(s) for which you wish to submit a response.

You will find a list of documents to join to your arrangement as well as detailed instructions in Part 3 of the RFSA.

You will find a copy of the attachments in Part 3 for download in Ms Word and PDF format on the Buy and Sales website under the heading "Attachments".

It is suggested to save the documents by right-clicking on the document to download rather than opening them directly from the Buy and Sales site.

Suppliers must ensure that they obtain a Procurement Business Number (PBN) created from the Business Number provided by the Canada Revenue Agency. Suppliers can obtain a PBN by clicking on the following link: <https://srisupplier.contractsCanada.gc.ca/index-eng.cfm?af=ZnVzZWJdGlvbj1yZWdpc3Rlci5pbmRybyZpZD00&lang=eng>
