

Q#17: Referring to M1, can GAC please confirm that it is up to the Bidder to choose how many resource and under which categories should be presented to GAC and that there are no set expectations on the composition of the team.

A: Correct. It is up to the Bidder to choose how many resources and under which categories. There is no set expectation on the composition.

Q18: Referring to M4, can GAC please confirm that the Bidder can nominate core team members as back-up team members as long as they meet the requirements of each flexible grid they are being proposed against.

A: Correct. The Bidder can nominate core team members as back-up team members as long as they meet the requirements of each flexible grid.

Q# 19: Referring to Questions 14 and 16: Can GAC please confirm that they will accept either:

- a) a copy of a signed contract with client contact information; OR,
- b) complete client contact information of a reference that can confirm contract details.

We do have a number of projects where we have signed NDAs preventing us from sharing contracts. However, our contacts would be happy to speak with GAC and answer the questions provided in the response to Question 16

A: Yes, a copy of a signed contract with client contact information, or, a complete client contact information of a reference that can confirm the contract details will be accepted.
