If the Bidder is a sole proprietorship, a partnership or a corporate body, the Bidder shall provide a statement indicating the laws under which it is registered or incorporated together with the registered or corporate name and place of business and the country where the controlling interest/ownership of the organization is located as per Appendix E of this RFSO.

### **2.0 ACCEPTANCE OF TERMS AND CONDITIONS**

- 2.1 Agriculture and Agri-Food Canada will only consider Proposals which accept Agriculture and Agri-Food Canada's terms and conditions.
- 2.2 The General Conditions attached in Appendix A and those set out in Part 3 of this RFSO shall form part of any Call-ups against a Standing Offer.

### **3.0 INCURRING COST**

- 3.1 The cost to prepare the Proposal will not be reimbursed by Agriculture and Agri-Food Canada.
- 3.2 No cost incurred before receipt of a signed Call-up or specified written authorization from the Contracting Authority can be charged to any Resulting Contract.

### **4.0 ENQUIRIES - SOLICITATION STAGE**

- 4.1 All enquiries or issues concerning this solicitation must be submitted in writing to the Contracting Authority named at Part 3A, section 5 of the RFSO. It is the responsibility of the Bidder to obtain clarification of the requirements contained herein, if necessary prior to submitting a proposal.
- 4.2 Enquiries and issues must be received by the Contracting Authority no later than **five (5) business days prior to the solicitation closing date** specified herein to allow sufficient time to provide a response. Enquiries or issues received after that time may not be able to be answered prior to the solicitation closing date.

- 4.4 All enquiries and other communications with government officials throughout the solicitation period are to be directed **ONLY** to the Contracting Authority. Noncompliance with this condition during the proposal solicitation period may (for that reason alone) result in disqualification of a Proposal.
- 4.5 Meetings will not be held with individual bidders prior to the closing date/time of this RFSO, unless otherwise specified.

4.6 Bidders shall not place any conditions or make any assumptions that attempt to limit or otherwise modify the scope of Work pursuant to the Statement of Work, Appendix B.

#### **4.7 Requests for Standing Offer amendment(s)**

Any modifications to this RFSO will be made through an amendment which will be posted publicly via Buyandsell.gc.ca.

### **5.0 RIGHTS OF CANADA**

5.1 Canada reserves the right to:

1. accept any Proposal in whole or in part, without prior negotiation;
2. reject any or all Proposals received in response to this RFSO;
3. cancel and/or re-issue this RFSO at any time;
4. ask the Bidder to substantiate any claim made in the Proposal;
5. enter into negotiations with one or more Bidders on any or all aspects of their Proposals;
6. award one or more Standing Offers;
7. retain all Proposals submitted in response to this RFSO.

### **6.0 SUBSTANTIATION OF PROFESSIONAL SERVICES RATES**

6.1 In Canada's experience, bidders will from time to time propose prices at the time of bidding that they later refuse to honour, on the basis that these prices do not allow them to recover their own costs and/or make a profit. When evaluating the prices for professional services bid, Canada may, but will have no obligation to, require price support for any prices proposed. Examples of price support that Canada would consider satisfactory include:

1. documentation (such as billing records) that shows that the Bidder has recently provided and invoiced another customer (with whom the Bidder deals at arm's length) for services similar to the services that would be provided under a resulting contract, and the fees charged are equal to or less than the price offered to Canada (to protect the privacy of the customer, the Bidder may black out the customer's name and personal information on the invoice submitted to Canada);
2. a signed contract between the Bidder and an individual qualified (based on the qualifications described in this bid solicitation) to provide services under a resulting contract where the amount payable under that contract by the Bidder to the resource is equal to or less than the price bid;
3. a signed contract with a subcontractor who will perform the work under any resulting contract, which provides that the required services will be provided at a price that is equal to or less than the price bid; or
4. details regarding the salary paid to and benefits provided to the individuals employed by the Bidder to provide services, where the amount of compensation, when converted to a per diem or hourly rate (as applicable), is equal to or less than the rate bid for that resource category.

Once Canada requests substantiation of the prices bid, it is the sole responsibility of the Bidder to submit information (either the information described in the examples above, or other information that demonstrates that it will be able to recover its own costs based on

the prices it has proposed) that will allow Canada to determine whether it can rely, with confidence, on the Bidder's ability to provide the required services at the prices bid, while, at a minimum, recovering its own costs. Where Canada determines that the information provided by the Bidder does not demonstrate the Bidder's ability to recover its own costs in providing the prices bid, Canada may, at their sole discretion declare the bid non-compliant.

## **7.0 MANDATORY CLAUSES**

7.1 Where the words “**must**”, “**shall**” or “**will**” appear in this RFSO, the clause is to be considered as a mandatory requirement.

## **8.0 DEBRIEFING**

8.1 After Standing Offer award, bidders may request a debriefing on the results of the bid solicitation process. Bidders should make the request to the Contracting Authority. The debriefing may be in writing, by telephone or in person at the discretion of the Contracting Authority.

## **9.0 CANADIAN INTERNATIONAL TRADE TRIBUNAL**

If you have issues or concerns regarding the solicitation, you have the option of raising them with the department or with the Canadian International Trade Tribunal (CITT). The Canadian International Trade Tribunal (CITT) is the bid challenge authority for Canada for the North American Free Trade Agreement (NAFTA), Canada-European Union Comprehensive Economic and Trade Agreement (CETA), World Trade Organization Agreement on Government Procurement (WTO-AGP), Canada - Chile Free Trade Agreement (CCFTA), Canada - Peru Free Trade Agreement (CPFTA), Canadian Free Trade Agreement and Agreement on Internal Trade (AIT). A potential supplier may file a complaint concerning a procurement action to the CITT, on the grounds that any aspect of the procurement process relating to a requirement covered by these agreements is unfair or discriminatory.

## **10.0 OPTIONAL SITE VISIT**

It is recommended that the Bidder or a representative of the Bidder visit the work site. Arrangements have been made for a tour of the work site. The site visit will be held on **June 5<sup>th</sup>, 2018 at 9:00 AM (EDT) at the Harrow Research and Development Centre located at 2585 County Road 20, Harrow, Ontario, N0R 1G0.**

Bidders will be requested to sign an attendance form. Bidders who do not attend or send a representative will not be given an alternative appointment but they will not be precluded from submitting a bid. Any clarifications or changes to the bid solicitation resulting from the site visit will be included as an amendment to the bid solicitation.

**PART 2: PROPOSAL PREPARATION INSTRUCTIONS & EVALUATION PROCEDURES**

**1.0 APPLICABLE LAWS**

- 1.1 The Standing Offer and the Call-ups shall be interpreted and governed, and the relations between the parties, determined by the laws in force in the Province of Ontario.
- 1.2 In their bid submission, bidders may, at their discretion, substitute the applicable laws of a Canadian province or territory of their choice without affecting the validity of their proposal, by deleting the Canadian province specified in the previous paragraph and inserting the Canadian province or territory of their choice. If no change is made, the bidder acknowledges the applicable law specified is acceptable to the Bidder.

**2.0 SUBMISSION OF PROPOSAL**

- 2.1 Proposals must be submitted in hard copy as described in Article 3.0.  
  
Due to the nature of this RFSO electronic transmission of proposal by such means as electronic mail or facsimile to the Department of Agriculture and Agri-Food is not considered to be practical and therefore will not be accepted.
- 2.2 The proposal **MUST** be delivered to and received by the Contracting Unit no later than the **date and time indicated on the cover page of this RFSO**. The outside of the envelope containing the proposal should include the RFSO number found on the cover page of the RFSO.
- 2.3 The onus for submitting proposals on time at the specified location rests with the Bidder. It is the Bidder’s responsibility to ensure correct delivery of their proposal to the Contracting Authority.
- 2.4 The Bidders are advised that, due to security measures for building visitors, arrangements should be made in advance with the Contracting Authority for any planned in-person delivery of a proposal. Failure to do so may result in late receipt of a proposal.
- 2.5 Proposals submitted in response to this RFSO will not be returned.

**3.0 PROPOSAL PREPARATION INSTRUCTIONS**

- 3.1 The proposal **must** be structured in **TWO SEPARATE ENVELOPES** as indicated below:

Section 1	Financial Proposal	1 original hard copy
Section 2	Certifications	1 original hard copy

- 3.2 The Bidder may **submit a proposal in either official language**.
- 3.3 Each copy of the proposal is to include the Bidder’s legal entity name, the name of the Bidder’s contact, address, telephone number, facsimile number, email address and the RFSO Number.

## 4.0 SECURITY REQUIREMENTS

### Security Profile Verification

The issuance of a contract is subject to a successful security screening by the Government of Canada security services.

Because of legal and ethics issues, the Bidder is not obligated to complete the "Personnel Screening Consent and Authorization Form" (tbs/sct 330-23e), available at <http://www.tbs-sct.gc.ca/tbsf-fsct/330-23-eng.asp> for each proposed employee at this point in time of the RFP process.

However, once the technical evaluation team will have evaluated the received proposals and will have identified the acceptable proposal, this requirement will become a mandatory requirement. Successful clearance by AAFC's Security Services is a mandatory condition before AAFC can award the contract.

Beyond the above mentioned issues, The Bidder have however the option to complete the form at their sole discretion at this point and provide the forms with their proposal.

Should a Bidder decide to complete the required information, *the initiative will only accelerate the transmission of the required documents by 2 or 3 weeks*. Whichever option the Bidder chooses, the decision has no bearing or influence on the technical team evaluation.

## 5.0 PREPARATION OF FINANCIAL PROPOSAL (Section 1)

In the Financial Proposal, the Bidder must submit a financial offer to provide the services requested in accordance with the Statement of Work, **Appendix B**. The Bidder must complete and sign Appendix C – Financial Proposal Parts A and B. Goods and Services Tax or Harmonized Sales Tax must not be included in the rates submitted.

The Bidder must submit rates for the services identified in Part A of Appendix C for each time period and use the same rates to complete the calculations in Part B of Appendix C. Only greyed out boxes should be left blank.

The requirements of the Financial Proposal are detailed in Evaluations Procedures and Criteria Appendix D.

**Prices shall not appear in any area of the proposal except in the Financial Proposal.**

- 5.1 The Bidder may revise his/her tender by facsimile, or letter provided it is received before the RFSO Closing Time.

However, any indication of price modification shall not reveal the amount of the original or the revised total price. Any indication of the old or the new total price will get the RFP discarded automatically.

## 6.0 CERTIFICATION REQUIREMENTS (Section 2)

In order to be awarded a Standing Offer, the certifications attached in **Appendix E** will be required. The certifications should be submitted with the proposal. Canada may declare a bid non-responsive if the certifications are not submitted or completed as required. Where Canada intends to reject a proposal pursuant to this paragraph, the Contracting Authority will so inform the Bidder and provide the Bidder with a time frame within which to meet the requirement. Failure to comply with the request of the Contracting Authority and meet the requirement within that time frame period will render the proposal non-responsive.

Compliance with the certifications the Bidder provides to Canada is subject to verification by Canada. The Contracting Authority shall have the right to ask for additional information to verify that the Bidder is compliant with the applicable certifications before and after award of a Standing Offer. Any certification made by the Bidder that is determined to be untrue, whether made knowingly or unknowingly, or any failure to comply with the certifications or comply with the request of the Contracting Authority for additional information, will render the bid non-responsive.

## 7.0 EVALUATION PROCEDURES

- 7.1 Proposals will be evaluated in accordance with the Evaluation Procedures and Criteria specified in **Appendix D**. Proposals received will be compared separately against the evaluation criteria identified therein for the total requirement described in this RFP and in conjunction with the accompanying Statement of Work (**Appendix B**).
- 7.2 An evaluation team composed of representatives of the Department of Agriculture and Agri-Food Canada will evaluate the Proposals on behalf of Canada.
- 7.3 The evaluation team reserves the right, but is not obligated, to perform any of the following tasks:
  - a) seek clarification or verification from bidders regarding any or all information provided by them with respect to the bid solicitation;
  - b) contact any or all references supplied by bidders to verify and validate any information submitted by them;
  - c) request, before award of any Standing Offer, specific information with respect to bidders' legal status;
  - d) verify any information provided by bidders through independent research, use of any government resources or by contacting third parties;
  - e) interview, at the sole costs of bidders, any bidder and/or any or all of the resources proposed by bidders to fulfill the requirement of the bid solicitation.
