**Solicitation Amendment 007**

This solicitation amendment is raised to:

1. Respond to questions relating to this bid solicitation as stated in Section A; and
2. Modify the bid solicitation as stated in Sections B.

**SECTION A: QUESTIONS AND ANSWERS**

Number	Question	Answer
Q124	<p>In regards to "Table 6 – Move Services" in the latest revision of "IHGRS Financial Proposal Attachment 2 to Part 3". Whilst the shipment count for Canadian Origin and Destination services has been revised to 991 for origin and 819 for destination, the total average weights remain unchanged at 8,540,260 KG for origin services and 8,896,155 KG for destination services. Using these unrevised weights and the revised shipment counts, that is putting the average shipment weight at 8,617.82 KG for origin services and 10,862.22 KG for Destination Services.</p> <p>This is much higher than what the averages were in the initial "IHGRS Financial Proposal Attachment 2 to Part 3", which had shipment counts of 3965 for origin services and 3274 for destination services. Using these shipments, the average weights worked out to 2153.91 KG for origin services and 2717.21 KG for Destination Services in Canada, which is in line with the average weights for the rest of the locations listed in the table.</p> <p>Is it possible to have this clarified first thing on Monday morning (May14) as to what the Total weight Averages should be for Canadian Origin Services and Destination Services. Having the far higher average weight results in an inflated Evaluated Price for both components.</p>	<p>Table 6 has been corrected as described below in Modification 37. Use Version 4 of the IHGRS Financial Proposal Attachment 2 to Part 3, which is provided as an attachment.</p> <p>The solicitation closing date has been extended by 7 days days, from May 16, 2018 to May 23, 2018.</p>
