This Amendment 004 is being raised to answer questions from industry during the optional site visit on May 1, 2018 and incorporate the following information into Solicitation W4M00-18C848/A:

Question 1: Is there information on the Portage La Prairie site?

Answer 1: There is a possibility of losing the site. The Portage la Prairie site is currently an optional site visit. Barely any maintenance has been required at this site in the past. (Please see below for the updated list of sites)

Question 2: Are most of the overhead doors electrically operated?

Answer 2: The doors are mainly electrically operated, there are a handful that are not.

Question 3: Is the dock loading building part of the contract?

Answer 3: No

Question 4: Are there any glass doors?

Answer 4: No

Question 5: What are the ages of the buildings?

Answer 5: Some buildings are as new as 15 years old.

Question 6: Will the contractor have access to equipment?

Answer 6: No, equipment will be provided to the contractor, they must provide all necessary equipment and vehicles, including fork/scissor lifts.

1. On Page 3 of 39, Article 1.2 Summary:

Delete:

1.2.1 For the provision of all labour, material, equipment, tools, transportation, and supervision necessary to repair, replace and maintain overhead doors on an "as required" basis for the Department of National Defence (DND) 17 Wing and the following satellite sites:
