This solicitation amendment is raised in order to remove a mandatory technical requirement and to add a certification in Part 5 of the RFSA.

Please remove:

In Work Streams 1 – 5:

Remove MT3 - The Supplier must provide their Health and Safety Plan document with their arrangement.

In Work Stream 6 and 7:

Remove MT2 - The Supplier must provide their Health and Safety Plan document with their arrangement.

A health and safety plan is no longer required as a mandatory requirement to submit a bid to be technically compliant.

Please insert the following tables starting at page 8 of the RFSA document.

4.1.1.1.2 Work Stream One (1) – Land Surveying in Ontario

This Work Stream is intended for Suppliers that can lawfully engage in the practice of cadastral surveying in the Province of Ontario.
