This Amendment 001 is raised to respond to questions from potential bidders.

Question #1

On Electrical drawing 11-29-347, there is a note showing the generator supplied by DFO, and to refer to the structural drawings for foundation details.

Are we required to install the concrete pad for the generator?

Answer #1

The Generator installation and supporting infrastructure is outside of the scope of this project. Proponents to note that only callouts referenced with bold and underlined verbiage to be included in scope (i.e. **INSTALL:**, **ADD:**, **EXPOSE:**, etc.)

Question #2

Are there structural drawings available?

Answer #2

The Generator installation and supporting infrastructure is outside of the scope of this project. If required, the drawings for the generator foundation will be provided to the successful proponent.

ALL OTHER TERMS AND CONDITIONS REMAIN UNCHANGED.
