REVISION 001

This Revision answers questions and makes revisions to the solicitation document.

A. Questions & Answers

- Q1.** Section GI13, Item 3 states “An arrangement whereby Canada contracts directly with a consultant who may retain sub-consultants or specialist consultants to perform portions of the services is not a joint venture arrangement. A sub-consultant or specialist consultant may, therefore, be proposed as part of the consultant team by more than one Proponent”.

Later in the document in Section SR3, Item 3.2.4, it states “In-house personnel means personnel within the Proponent’s organization. Past Expertise and experience of personnel not within the Proponent’s (or joint venture Proponent’s) organization will not be considered in the evaluation.

Please confirm if a Proponent may include a sub-consultant as one of the Key Personnel on their team. If not, please confirm if all 9 key personnel should be in-house personnel (or joint venture team)

- A1.** Yes, a sub-consultant can be used as one of the proponent’s key personnel.
