BIDDER QUESTION & ANSWER

Question 1:

In section 5.2.6 Aboriginal Designation, is it mandatory that the successful bidder be an Aboriginal supplier as described within this section?

Answer 1:

No, it is not mandatory that the successful bidder be an Aboriginal supplier.
This certification is for us to report on Aboriginal supplier status in our contracts.

Question 2:

To ensure a comprehensive and beneficial proposal for NRCan, we would also like to respectfully request an extension to the submission deadline. Our suggestion would be June 4th at 2:00pm (EST) instead of May 28th at 2:00pm (EST).

Answer 2:

Given timelines, unfortunately we are unable to grant an extension to the closing date.
