This amendment has been raised to answer the following questions:

Clarification regarding article 7.3 of Part 7- Resulting Contract Clauses

- Q1.** The Contractor/Offeror personnel requiring access to sensitive work site(s) must EACH hold a valid personnel security screening at the level of SECRET
- R1.** Correct; The Facility Manager(s) for B789 must have Secret (Level 2) security Clearance; this is the mandatory SRCL/CISD requirement

Clarification regarding article Annex C – “SECURITY REQUIREMENTS CHECK LIST”

- Q2.** Part B – 10.a Personnel security screening level required: SECRET
- R2.** For Facility Managers “Personnel security screening level required: is “SECRET”
- Q3.** Part B – 10.b May unscreened personnel be used for portions of the work? If yes, will unscreened personnel be escorted?
- R3.** Yes unscreened personnel may be used for portions of the work. Yes, unscreened personnel must be escorted?
- Q4.** Will cleaning personnel and subcontractors be escorted at all times?
- R4.** Yes all cleaning personnel and subcontractors must be escorted at all times.

Clarification regarding Annex A – “Statement of Work”

- Q5.** All contract employees must carry identification and display a GRA pass. Individuals without authorized passes in their possession will not be permitted to enter the GRA.
- R5.** Photo ID and GRA pass is always required to enter 4Wing ‘Greater restricted area’
- Q6.** Contractor must be security cleared to LEVEL 2 (SECRET); any sub-contractor must be escorted at all times
- R6.** The Facility Manager(s) for B789 must have Secret (Level 2) security Clearance. Any Janitorial staff (that are not Secret cleared Facility Managers) or subcontractors must be escorted by the Facility Manager or by a Commissionaire with Secret Clearance, at all times
- Q7.** Definition of “daily”, in reference to the Maintenance Service Schedule as outlined in Annex A – “Statement of Work”
- R7.** ‘Daily’ refers to Operational days, i.e.) typically 5 days per week

Clarification regarding Annex B – “Basis of Payment”

- Q8.** Items 3.and 4. under “Scheduled Work” show a requirement for Escort Services
- R8.** As stated above; anyone entering the Facility without Secret clearance must be escorted at all times; No one without Secret Clearance can work alone in this facility. Any Janitorial staff (that are not Secret cleared Facility Managers) or subcontractors must be escorted by the Facility Manager or by a Commissionaire with Secret Clearance; note that only the “Canadian Corps of Commissionaires” are authorized to escort on 4Wing, so if the contractor requires independent escorts, it must be arranged through them.

Delete: Operational Security 6: of Annex A – Statement of Work.

- 6.** Work carried out within the General Restricted Area (GRA) is subject to special and unique security regulations. All Contract employees must carry personal Identification and display a GRA pass. Individuals without authorized passes in their possession will not be permitted to enter the GRA. If the Project Authority requires the Contractor

to work in the GRA where their Reliability clearance does not give them access, the Project Authority will attempt to provide Security Escorts.

Insert: Operational Security 6: of Annex A – Statement of Work.

6. Work carried out within the General Restricted Area (GRA) is subject to special and unique security regulations. All Contract employees must carry personal Identification and display a GRA pass. Individuals without authorized passes in their possession will not be permitted to enter the GRA. In emergency cases, or for large subcontracted jobs, RPOPs (or any 4Wing contractor with a valid SOA) may arrange for Security escorts through the Canadian Corps of Commissioners (which will still need to be directed and allowed Building 789 access by the Facility Manager)

Q9. "Period of the Contract" is left blank to be filled out at contract award. Has an approximate start date been determined? If not, will there be any flexibility?

R9. The current contract expires Sep 11, 2018, but this may need to be extended while waiting on the new vendor's security clearances.
