- 1. Answer questions raised by the Industry;***

***Question #001:***

I like to request an extension of 2 weeks to complete the bid for file W8561-180019/B as there is a delay on the samples. Is there a possibility?

***Answer #001:***

Canada cannot grant a 2 week extension due to the tight deadlines.

***Question #002:***

We have a powdered spice seasoning called Tapatio that is often used as a hot sauce as it replicates a hot sauce flavor giving a more robust spice profile. It is sprinkled on the entrée to add that extra bit of heat/spice and they come in packets with a 36 month shelf life. Would that be a compliant substitute for a liquid hot sauce?

***Answer #002:***

Canada has reviewed and considered your substitution. A powdered spice seasoning would not be acceptable. However, DND hereby deleted the requirements for Catsup and Hot Sauce within the Meal Kits Cases, due to their shorter shelf-life of only twenty four (24) months.
