

**The following Questions and Answers are regarding RFSO# 01R11-19-S004 for  
MECHANICAL SERVICES, Lethbridge AB**

**QUESTION 1:**

Can a refrigeration technician be used in place of the plumber and sheet metal as a refrigeration mechanic works on all the same equipment that is stated in the contract documents?

**ANSWER 1:**

No. A certified Journeyman Plumber and a certified Journeyman Sheet Metal Worker are required.
